Keonjhar, Odisha**

Message from the Collector cum Chairman & Managing Trustee, District Mineral Foundation, Keonjhar

Keonjhar district is bestowed with immense mineral wealth and the establishment of District Mineral Foundation (DMF) after the amendment of Mines and Minerals (Development and Regulation) Amendment Act 2015, has enabled to share the benefits of mining fairly with those who are affected due to mining and related operations.

The fourth year of DMF characterizes the sustained ongoing efforts towards the projects sanctioned during the previous years, along with the initiation of various innovative projects for the inclusive growth of people in mining areas. More than

328 development projects under different sectors like Drinking Water, Irrigation, Education, Health, Livelihood, etc. have been approved and Rs. 1434 Crores have been sanctioned for the implementation of these projects so far. The approved projects ranging across different sectors, lays emphasis on the basic essential commodities and enhances livelihood opportunities for the people in mining affected areas.

Special emphasis has been given to the priority areas and to ‘fully cover’ the affected communities with safe and clean drinking water, more projects have been sanctioned. Education has been made more comprehensive with innovative projects like enhancing nutrition in MDM, furniture installation in schools, establishment of sports infrastructure, LINK centers, etc. The provision of assured irrigation facilities through solar based surface lift projects and projects like WADI, Millet Mission, etc. have enhanced the scope and income of the farmers. The green energy projects like Solar Street Lights and improved cook stoves have ameliorated the living conditions of people. All these projects have been initiated along with several other projects in different sectors.

To ensure that the projects attain the desired output, special emphasis is given to preserve excellence in the implementation of these projects. The success of many of the projects have been assessed and necessary projects have been scaled-up considering its impact in transforming mining affected areas. To make the entire process citizen-centric and ensure active participation, the website ‘www.dmfkeonjhar.in’ has been constantly updated to provide all information with respect to the projects.

I would like to take this opportunity to thank the people of Keonjhar, the Board of Trustees, the various State government departments and other stakeholders without whose co-operation and unwavering commitment, many of these initiatives would never have seen the light of the day. I assure you that we have taken utmost care to ensure that the funds accrued under DMF are managed and utilized as per the Odisha DMF Rules, notified by the State Government.

On behalf of the Board of Trustees, I welcome you to peruse the report and engage with us to enhance the quality of life of the mining affected people of Keonjhar.

Collector – cum –  & Managing Trustee
District Mineral Foundation, Keonjhar

1. What is DMF

District Mineral Foundations (DMF) are statutory bodies in India established by the State Governments by notification. They derive their legal status from section 9B of Mines and Minerals (Development and Regulation) Act, 1957 as amended on 26 March 2015 as Mines and Minerals (Development and Regulation) Amendment Act, 2015. This amendment came into force from 12 January 2015.

Each DMF is a trust or non-profit body in the mining operation affected districts.

The objective of DMF is to work for the interest of the benefit of the persons and areas affected by mining related operations in such manner as may be prescribed by the State Government.

2. Mission and Vision of the Trust

The mission of the District Mineral Foundation (DMF) Trust is to “work for the welfare and development of mining affected communities”.

The vision of the District Mineral Foundation (DMF) Trust is to “alleviate the adverse impacts of mining on communities and environment and create sustainable development opportunities for current and future generations”.

3. Function of DMF Trust

The DMF Trust is responsible for:

- a) The implementation of various welfare and developmental projects in mining affected areas
- b) Minimizing/mitigating the adverse impacts, during and after mining, on the environment, health and socioeconomics of the people in mining areas
- c) Ensuring long term sustainable livelihoods for the affected people in mining areas

It undertakes the following activities for this purpose:

- a) Receive, maintain, manage, release and utilize the funds accrued
- b) Plan, identify, design and undertake suitable welfare and developmental projects, following due procedure
- c) Monitor and coordinate with various executing agencies at field level for successful implementation of projects taken up
- d) Ensure convergence with ongoing/existing schemes/projects of State and Central Government
- e) Identify and promote innovative solutions
- f) Ensure regular and swift redressal of grievances
- g) Coordinate with Planning and Convergence Department (go) and Steel and Mines Department (go)
- h) Any other work entrusted

9. SUCCESS STORY

Name of The Project	Mega PWS scheme to mining affected villages including const. 5 Year operation & maintenance cost for 229 villages
Executive Agency	RWSS. Keonjhar
Amount Sanctioned	Rs 70900Lakhs

ENSURING UNIVERSAL ACCESS TO SAFE DRINKING WATER IN RURAL AREAS

Access to safe and adequate water is a basic human right. Through a combination of shallow tube wells, solar and mega piped water supply projects under DMF, Keonjhar district is well on its way to achieve drinking water security across the rural areas and further aims to cover 100 percent households with individual tap connections by 2022.

Name of The Project	Projects under road network Master Plan in Mining affected areas (Impvt. to BarbilKiriburu road from 0/000 K.M. to 14/800 K.M
Executive Agency	R&B, Keonjhar
Amount Sanctioned	Rs 7664.29Lakhs

Geographically, the district is confined within a difficult terrain. Accessibility to remote and hilly pockets as well as availability of construction materials are big challenges for last mile connectivity. Due to non-availability of connectivity, emergency services like access to medical facilities, education and market for livelihood etc. are defeated during the rainy season. Hence, to provide all weather roads to the people of the district, especially in the directly affected areas by mining activities have been taken up on priority to provide connectivity by constructing roads and bridges as per requirement.

Additionally, DMF would also assess and prioritize the habitations which are unconnected.

Name of The Project	Surface based Solar Lift Irrigation
Executive Agency	CE OREDA ,Bhubaneswar
Amount Sanctioned	Rs 534.92Lakhs

HARNESSING THE SUN FOR AN EVERGREEN REVOLUTION

Assured irrigation is essential to drought proof agriculture in Keonjhar, where less than 15% of the total area is sown more than once. Solar based Lift Irrigation systems under DMF are an environmentally friendly and cost-effective solution to meet the irrigation needs of farmers in rural areas which are often unconnected to a 3 Phase grid. About 125 Solar Lift Irrigation points have been established under DMF in the first phase at a cost of about ₹ 5.5 crore. More than 600 farmers and their families have benefited from the initiative so far.

Name of The Project	DMF Initiated Crèches Against Malnutrition (DICAM)
Executive Agency	DSWO ,Keonjhar
Amount Sanctioned	Rs218.94Lakhs

ENSURING EARLY CHILDHOOD MATTERS.

Crèches or Mamata Ghara established under DMF provide nutritious complementary food, early childhood education and a safe environment to children between 6 months and 3 years inorder to achieve age-appropriate milestones and prevent growth faltering. Implemented at a cost of about ₹ 2 crore per annum, almost 2000 children have benefited from the initiative so far. The crèche initiative has successfully reduced percentage of wasted and severely wasted children by upto 58% and 86% respectively.

Name of The Project	Wadi plantation of 677 acres of land by programme implementing agencies in Jhumpura, Champua & Sadar Block & maintenance of the plantation
Executive Agency	DDH(RPP Mode through five Private Partner)
Amount Sanctioned	Rs 1390.936 Lakhs

NURTURING SUSTAINABLE LIVELIHOODS

The WADI project under DMF is a holistic attempt to promote agro-horti-forestry based livelihood as a source of income security for small and marginal farmers in mining affected areas. The model provides an assured and continuous source of food, fodder, fuel, medicine and timber, year after year, once the trees reach maturity. More than 900 small and marginal farmers in mining affected areas have benefited from the initiative so far.

Name of The Project	Const. of WUSHU SANSHOU Indoor Sports Hall at Barbil
Executive Agency	EO BarbilMunicipality
Amount Sanctioned	Rs 5,223,000.00

CREATING CHAMPIONS OF TOMORROW

In order to enable children from mining areas to nurture their sporting talent, become world champions and win sporting laurels for the country, a state of the art WUSHU and Kick Boxing Academy has been set up in Barbil under DMF at a cost of about ₹ 52.23 lakh.

Name Of The Project	Provision of improved cooking implements & cookware to Anganwadi Centres of the Dist (3257 nos. of Harsha Domestic Cook Stove @ Rs.1270/- each
Executive Agency	CE OREDA ,Bhubaneswar
Amount Sanctioned	4,136,390.00

ENSURING CLEAN AIR FOR A HEALTHY FUTURE

More than 4 million people in developing countries, primarily women and children die prematurely every year due to Indoor Air Pollution (IAP) caused by biomass burnt in traditional chulhas. Under DMF, primitive '3-stone' chulhas have been replaced with Improved Cook Stoves and Pressure Cookers in all the 3257 Anganwadi Centres in Keonjhar district, thereby significantly reducing exposure of Anganwadi Workers/Helpers and young children to the hazards of Indoor Air Pollution., The initiative has also helped in reducing fuelwood consumption, cooking time and drudgery of the workers/helpers, enabling them to contribute more meaningfully to pre-school education of the children.

Name Of The Project	Provision of solar street lighting in mining affected villages of the district (11000 sets of LED street light @ Rs.22,558/- each)
Executive Agency	CE OREDA , Bhubaneswar
Amount Sanctioned	Rs 2481.38 Lakhs

When the sun sets, life used to come to a standstill in most mining affected villages in the district. Not anymore. Under DMF, more than 11,000 Solar Street Lights have been installed across 473 mining affected villages in the district to enhance safety and reduce crime, especially against women. Powered by the sun, DMF Solar Street Lights use energy efficient LEDs and state-of-the-art Lithium Ferro Phosphate batteries for high illuminance and long life. The initiative has extended socio-economic, educational and recreational activities in mining affected villages. Implemented at a cost of about ₹ 25 crore under DMF, more than 5 lakh people have benefited from the initiative.

10. FUTURE OUTLOOK

Board of Trustees of DMF have committed to sustain their efforts towards development initiatives in key sectors such as drinking water, healthcare, skill development/livelihood, sanitation and women/child development. These will be supported by infrastructure related project related to construction of relevant buildings, roads, etc.

We will leverage the extensive support extended by the State Government (such as appointment of nodal officers in key state departments and issuance of guidelines for submission of programs) as well as work closely with Planning and Convergence department to identify areas where complementing an existing government scheme with DMFT's resources may amplify the impact of the scheme significantly.

Further, we will engage private sector, civil society organizations and individuals to explore innovative ideas and models in the priority sectors. This will ensure that we have access to the best capabilities and ideas for various development programs.

11.2 Annexure II – Proceedings of Board of Trustee Meetings

11.2.1 of Trust Board meeting dated 31/05/2016

PROCEEDINGS OF THE 7TH DMF TRUST BOARD MEETING HELD ON 27.06.2018 AT 10.30 AM IN DURBAR HALL, COLLECTORATE, KEONJHAR.

...

The 7th Trust Board Meeting of DMF was held on 27.06.2018 at 10.30 AM in Durbar Hall, Collectorate, Keonjhar under the chairmanship of Sri Ashish Thakare, IAS, Collector-cum-Managing Trustee, DMF. The list of participants is enclosed in the Annexure-I.

At the outset, the Collector welcomed all the members and participants who attended the meeting. P.D., DRDA-cum-Chief Executive, DMF elaborated the list of projects approved in the last Trust Board meeting held on 25.11.2018 and the corresponding proceedings sent to all members & unanimously, it was confirmed and approved by the members.

Then as per agenda notes, various issues were discussed sequentially. In the first instance, the deletion and inclusion of villages as per the letter of Odisha Space Application Centre (ORSAC) was discussed. As such, currently 491 villages have been identified as mining affected villages which are coming under 10 KMs radius. Recently ORSAC (as per letter No. 3613 Dtd. 21.11.2017 of Scientist, ORSAC) has identified 94 villages to be deleted as these are situated outside the 10 KM radius of the mining operation and further suggested to include 106 villages in the list. In this connection, Mr. Basudev Naik, member, suggested that before deleting the said list of villages as pointed out by the ORSAC, it should be verified in the field again. Accordingly, the Board unanimously decided to set up a technical committee to ascertain the real position and recommend further action.

The Power Point prepared by the PMU was presented in the house. The receipt of funds under DMF, its utilisation, approval of projects & sanction of funds as on 20.06.2018 is as follows:

Total Receipt of funds: Rs.1696.73 crores

Sanction of funds: Rs.1057.00 crores

Utilisation of funds: Rs. 183.55 crores

The rate of expenditure of funds by the Executing Agencies was found to be very low in comparison to the funds sanctioned. All the Executing agencies explained that due to established procedure of obtaining technical sanction from higher authorities at State Hdqrs., floating of tenders and finalisation of contractors coupled with the shortage of staff at field level, the pace of expenditure is low. Collector-cum-Managing Trustee advised all the E/As to make correspondence to their administrative departments for deployment of

more field level staff for speedy execution of the projects as done by the RWSS organisation.

Hon'ble MLA, Mayadhar Jena requested the Collector to construct Model AWC building in mining affected areas. Collector directed the Executive Engineer, DRDA, Keonjhar to prepare a standard estimate for model AWC building of mining affected areas with additional provisions like play area , equipments etc.

Then, the Project Director, DRDA-cum-Chief Executive, DMF, invited all the Executing Agencies to brief their progress of work to the house.

EE, Keonjhar R&B Division, Keonjhar.

The EE, R&B Division, Keonjhar on behalf of the Division briefed the status of all the projects taken up by their organisation under DMF. He mentioned that due to difficulties faced in land acquisition, forest clearance and utility shifting, the progress of road works is delayed. To this, the Divisional Forest Officer, Keonjhar assured that as per provisions, the forest clearance shall be issued expeditiously.

The Executive Engineer also mentioned that a GIS survey of all the roads of mining affected areas is complete and Road Master Plan has been prepared to be taken up out of DMF. The Road master plan has also been approved by the Govt. and the Collector will finalise the Priority List & the Executing agencies for taking up the roads under the Master Pan. Collector requested the EE, R&B, Keonjhar to hand over the copy of the Master Plan to all Trust Board members for their information, once finalised.

Collector also advised the EE, R&B, Keonjhar to deploy more field staff including special staff for land acquisition/forest clearance to expedite the projects under DMF and state budget.

EE, Keonjhar RWS&S Division, Keonjhar.

The EE, Keonjhar RWS&S Division, Keonjhar briefed the house about the progress of works taken up. He said that as per Govt. have approved the proposal to supply safe drinking water to each household of the district through individual tap connection. In this regard, an Integrated Mega Water Supply programme covering all Blocks except Telkoi & Patna is under DPR preparation stage and will be implemented at an estimated cost Rs.1368.65 crores, out of which DMF will bear Rs.709.00 crores and the rest shall be met out of OMBADC. For Patna & Telkoi Block, barrage under "Basudha" scheme will be taken up for supply of drinking water and will be fully funded from the state plan. Then the EE, RWS&S, Keonjhar gave the current status of the DMF

projects. In this regard, he mentioned the hydro-geological challenges faced in Joda Block.

Divisional Forest Officer, Keonjhar/Anandapur.

DFO, Keonjhar briefed the progress of work taken up under DMF. He said that the following projects have been taken up by him.

1. Eco Tourism at Anjar.
2. Silviculture at Sidha Math area.
3. Urban Plantation at Barbil.

Further he proposed to develop a Medicinal Plant Conservation Centre at Anjar at the RPRC area which was previously developed by the Horticulture department. Since the RPRC has been shifted and working no more, to better utilise the facility, the project is proposed. In the said proposal the conservation of different medicinal plants from Gandhamardan Hills and other areas of the district shall be carried out.

DFO, Keonjhar Wildlife Division, Anandapur also added that the Collector & team had visited Dangadhar, a remote village of Rasol GP of Harichandanpur Block. He said the village is unconnected and a new metallic /fair-weather road connecting Pancham to Naradangi (16 KM) is required to be taken up with construction of 8 causeways and one bridge. He requested the house to consider the approval of the proposal in the interest of the unconnected tribals inhabitants. He also narrated a proposal under the caption "Silvi-horticultural Crop" in that area which will improve income generation and provide livelihood support to the local tribals and ensure proper use of land of people in whose favour FRA Pattas is in the process of being issued. The P.D.-cum-Chief Executive also added that since the rights granted under FRA is permanently heritable and not transferable, improvement of land through horticultural plantation will support to their livelihood.

Collector asked the D.F.O., Keonjhar & Anandapur to formulate plan for above mentioned proposals and submit to DMF for approval.

EE, RWD-I & II Division , Keonjhar& Anandapur Division.

Both the executive Engineer briefed the status of projects taken up under DMF.

The Collector mentioned that, as a policy, DMF will focus on construction of new roads and expansion/widening of existing roads and will avoid improvement/ repair/maintenance of existing roads. The later is to be taken up by the concerned department from the State Budget.

Then, one by one all other executing agencies briefed the status of projects taken up under DMF. The D.P.C., SSA, Keonjhar was asked to be

vigilant during roof casting of additional class rooms taken up under DMF and was instructed to expedite the bills pending at his level. Collector also explained the proposal to enhance the MDM scheme by including additional items in the menu. While the Hon'ble M.P.(Lok sabha) proposed the introduction of milk under MDM, Collector assured that all options will be looked into and decision will be taken considering the nutritional value logistical convenience. The B.D.O.s were asked to complete the AWCs sanctioned immediately and also verify the functioning of Lift irrigation points established under DMF and take suitable livelihood activities. The EE, MI, Anandapur was requested to submit the revised estimate for the renovation of 5 MI projects previously approved by the Trust Board. The E.O., Barbil Municipality was asked to submit the estimate for "Wushu sports complex" at the earliest.

Health

Collector appraised the members regarding the initiative taken to hire contractual Doctors under DMF to fill the existing vacancy of different health institutions in mining affected areas. Further, Collector advised the CDM&PHO to deploy paramedics and procure necessary equipments under DMF for the optimal functioning of the health facilities. He also mentioned that Barbil CHC will be upgraded to CHC+ with enhanced medical facilities.

Approval of Annual Report.

The annual report for the year 2016-17 along with the audit report for the year 2017-18 were placed in the Trust Report and was approved. .

Approval of new Projects.

Collector intimated regarding 57 No.s of new proposals to the members all of which was unanimously approved. The list of proposals are placed at Annexure-2.

Deletion of approved projects.

The 21 No.s of projects approved earlier were proposed to be deleted due to lack of need or feasibility and was approved. The list is placed at Annexure-3.

At last the Hon'ble M.L.A., Sadar proposed to engage Primary teachers in the remote primary schools where shortage of teachers is prevailing. In this connection the Collector asked the D.P.C., SSA, Keonjhar to supply a comprehensive vacancy position of teachers to the PMU in order to develop suitable solutions. Sri Basudev Naik, member, requested the Collector to expedite the execution of works by different executing agencies so as to enhance the pace of expenditure & early completion of the projects.

**PROCEEDINGS OF THE 8TH DMF TRUST BOARD MEETING HELD ON
15.11.2018 AT 11.00 AM IN DURBAR HALL, COLLECTORATE, KEONJHAR.**

...

The 8th Trust Board Meeting of DMF was held on 15.11.2018 at 11.00 AM in Durbar Hall, Collectorate, Keonjhar under the chairmanship of Sri Ashish Thakare, IAS, Collector-cum-Chairman & Managing Trustee, DMF. The list of participants is enclosed in the Annexure-I.

At the outset, the Collector welcomed all the members and participants who attended the meeting. P.D., DRDA-cum-Chief Executive Officer, DMF elaborated the list of projects approved in the last Trust Board meeting held on 27.06.2018 and the corresponding proceedings sent to all members was confirmed & approved by the members, unanimously.

Then as per the agenda note, various matter were discussed sequentially. In the first instance, the project-wise progress of various executing agencies was discussed.

The Power Point prepared by the PMU was presented in the house. The receipt of funds under DMF, its utilisation, approval of projects & sanction of funds as on 31.10.2018 is as follows:

Total Receipt of funds: Rs. 2218.68 Cr

Sanction of funds: Rs. 1191.53 Cr

Utilisation of funds: Rs. 262.57 Cr

The P.D., DRDA-cum-Chief Executive Officer, Keonjhar narrated the executing agencies-wise expenditure position for the information of the members. It was revealed that the pace of expenditure is low in comparison to the funds sanctioned. The Collector directed the executing agencies to expedite the expenditure by means of regular monitoring and supervision. He also appraised the members about the steps taken by the PMU to facilitate co-ordination between NESCO, Revenue and Forest Departments to expedite utility shifting, land acquisition and forest clearance, from time to time.

Hon'ble MLA, Sadar Sj. Abhiram Naik proposed that the roads which are under construction in the mining affected areas under DMF by R&B need to be double-laned, considering the continuous increase in vehicular traffic. The Executive Engineer, R&B responded that the possibility of double laning has been considered during the design and construction of bridges and culverts in the current road projects and after the completion of current works, for which agreements have already been signed with the contractors, further decision regarding widening of BT section may be taken.

Approval of new Projects.

52 No.s of new proposals received from different quarters were placed before the Trust Board by the Chief Executive Officer, DMF which was read out one by one, all of which were unanimously approved. The list of proposals is placed at Annexure-2.

The Hon'ble M.L.A., Anandapur, Sj. Mayadhar Jena proposed to implement social security pension scheme under DMF to cover the left out beneficiaries of the district for ensuring dignity of vulnerable persons. In this connection, the Collector said that the proposal shall be forwarded to the Govt. and as per Govt.'s decision, the proposal shall be implemented.

As per the proposal of Water Resource Department, a mega Lift Irrigation (LI) project in 4 locations in the district was placed in the Trust Board for approval. The EE, Mega Lift Projects, Bhubaneswar who was present in the meeting briefed the necessity & expected outcome of the proposal. The proposal was unanimously approved for implementation at an estimated cost of Rs. 254.71 Cr. Further, Collector added that the Mega Piped Water Supply project under DMF will be extended to ensure 100% coverage of all households in the district, which was welcomed by all the members.

The Collector-cum-Managing Trustee intimated to the house that a micro planning exercise will be carried out in all the mining affected villages in the district in a participatory manner, using mobile based application and real-time digital data platform. Subsequently, a Village level Development Plan (VDP) will be formulated for each mining affected village and after due approval, will be implemented in a phased manner.

The P.D.-cum-C.E.O. intimated the house about the adoption of logo under DMF by the Govt. in Planning & Convergence Department. The logo with the name of the district shall be used in all signboards/communications for display/letterhead for projects/schemes undertaken by DMF.

At last, the P.D., DRDA-cum-C.E. thanked all the members and participants for their valuable suggestions and the meeting ended with a vote of thanks to the Chair.

Notes on Matters relating to Account For Financial Year 2018-19

We observe the following matters, which influence the **Financial Statements** for the year 2018-19:

1. TDS on Interest from Bank :

A sum of Rs. 5,03,04,571/- has been deducted out of Interest credited to the Trust by Bank of India during the Financial Year 2018-19. The entire amount so deducted has been shown as expenditure for the year 2018-19.

2. Collection from Mining Houses :

As observed, collection from various Mining Houses has been accounted for based on the Bank Statement. No mechanism has been implemented or instituted so as to compare the actual amount receivable vis-à-vis the actual amount credited. Further, the period to which the amount pertains, couldn't be ascertained. Therefore, whether any amount has been received in Arrears/Advance couldn't be commented upon. It is therefore advisable that, a statement containing party wise details such as amount due, date of pendency, period to which it pertains etc. may be obtained from DDM Joda/MO – Keonjhar (Steel & Mines Dept, Govt. of Odisha), so that reconciliation of the collections from the Mining Houses vis-à-vis the actual collections can be made by the Trust.

3. Tax on Profit :

DMF, Keonjhar is liable to pay Income Tax on its profit for the year as the Trust has not obtained exemption under the provisions of the Income Tax Act, 1961.

4. TDS not deducted :

Remuneration released to Doctors and amount released to NGOs & for other contract works are subjected to TDS under the provisions of Income tax Act, 1961. During the year 2018-19, a sum of Rs.2,25,26,403/- has been released as remuneration to Doctors which comprises of direct payment amounting to Rs. 1,38,64,267/- and Rs.86,62,136/- through CDMO, Keonjhar. Similarly, during the Year 2018-19, salary to an extent of Rs.1,94,70,088/- and Rs.3,80,487/- has been released to PMU Staff and DEOs respectively. However, no TDS has been deducted on the above payments.
