1. What is DMF

District Mineral Foundations (DMF) are statutory bodies in India established by the State Governments by notification. They derive their legal status from section 9B of Mines and Minerals (Development and Regulation) Act, 1957 as amended on 26 March 2015 as Mines and Minerals (Development and Regulation) Amendment Act, 2015. This amendment came into force from 12 January 2015.

Each DMF is a trust or non-profit body in the mining operation affected districts. The objective of DMF is to work for the interest of the benefit of the persons and areas affected by mining related operations in such manner as may be prescribed by the State Government.

2. Mission and Vision of the Trust

The mission of the District Mineral Foundation (DMF) Trust is to “work for the welfare and development of mining affected communities”.

The vision of the District Mineral Foundation (DMF) Trust is to “alleviate the adverse impacts of mining on communities and environment and create sustainable development opportunities for current and future generations”.

3. Function of DMF Trust

The DMF Trust is responsible for:

- a) The implementation of various welfare and developmental projects in mining affected areas.
- b) Minimizing/mitigating the adverse impacts, during and after mining, on the environment, health and socioeconomics of the people in mining areas.
- c) Ensuring long term sustainable livelihoods for the affected people in mining areas

It undertakes the following activities for this purpose:

- a) Receive, maintain, manage, release and utilize the funds accrued
- b) Plan, identify, design and undertake suitable welfare and developmental projects, following due procedure
- c) Monitor and coordinate with various executing agencies at field level for successful implementation of projects taken up
- d) Ensure convergence with ongoing/existing schemes/projects of State and Central Government

- e) Identify and promote innovative solutions
- f) Ensure regular and swift redressal of grievances
- g) Coordinate with Planning and Convergence Department (goo) and Steel and Mines Department (goo)
- h) Any other work entrusted

Name of The Project	Implementation/ execution of the Millet Mission programme (3rd Year)
Executive Agency	PD ATMA, Keonjhar & NCDS, Bhubaneswar
Amount Sanctioned	Rs 5.84 Cr

Millet Power for Nutrition

Millets have a prominent role in the culture of Odisha and are co-terminus with the growth of its civilization. Millets, with their high nutritional value used to be a major staple food for a millennium. They are climate change resilient crops requiring very little water and can also be cultivated in undulating terrain. While green revolution strategies have increased food security, the need of the hour is to increase nutritional security by reviving millet-based cropping systems. In this context, a flagship programme called 'Special Programme for Promotion of Millets (Odisha Millet Mission) in Tribal Areas' has been launched by the Agriculture & Farmers' Empowerment Department, Government of Odisha to revive millet production, increase household consumption and improve tribal livelihoods.

Name of The Project	Keonjhar Handball Stadium
Executive Agency	Keonjhar Garh Municipality
Amount Sanctioned	Rs 3.26 Cr

Keonjhar Handball Stadium

In a major boost to sports infra in the district, the Keonjhar administration has developed a state-of-the-art outdoor handball synthetic court, which is the first such facility in Odisha.

Keonjhar Handball Ground, located in Keonjhargarh Municipality is first of its kind with provision of outdoor synthetic court in Odisha. The handball ground campus with an area around 1.6 acre has been developed with best-in-class landscaping and provision of play areas. The synthetic handball court has been built as per the standards of the IHF (International Handball Federation). Dual Handball Courts (Synthetic Pro-Cushion Surface) covering an area of 0.5 acre is built with a seating capacity of around 200. Material used for preparation of synthetic court has been certified under 'Category 4-Medium-Fast' by International Tennis Federation (ITF), according to the district administration. Night play capability has been ensured with installation of sports standard 'High Mast Lights'. The campus has been developed for multi-disciplinary public use for activities like 'walking pathways', acupressure track, children's play area, open air gym, gymnasium, yoga platform, toilet block, seating arena and drinking water. Sanctioned with a cost Rs 3.26 crore under DMF Keonjhar, the facility is expected to nurture and provide exposure to the sportspersons with international standard of sporting culture.

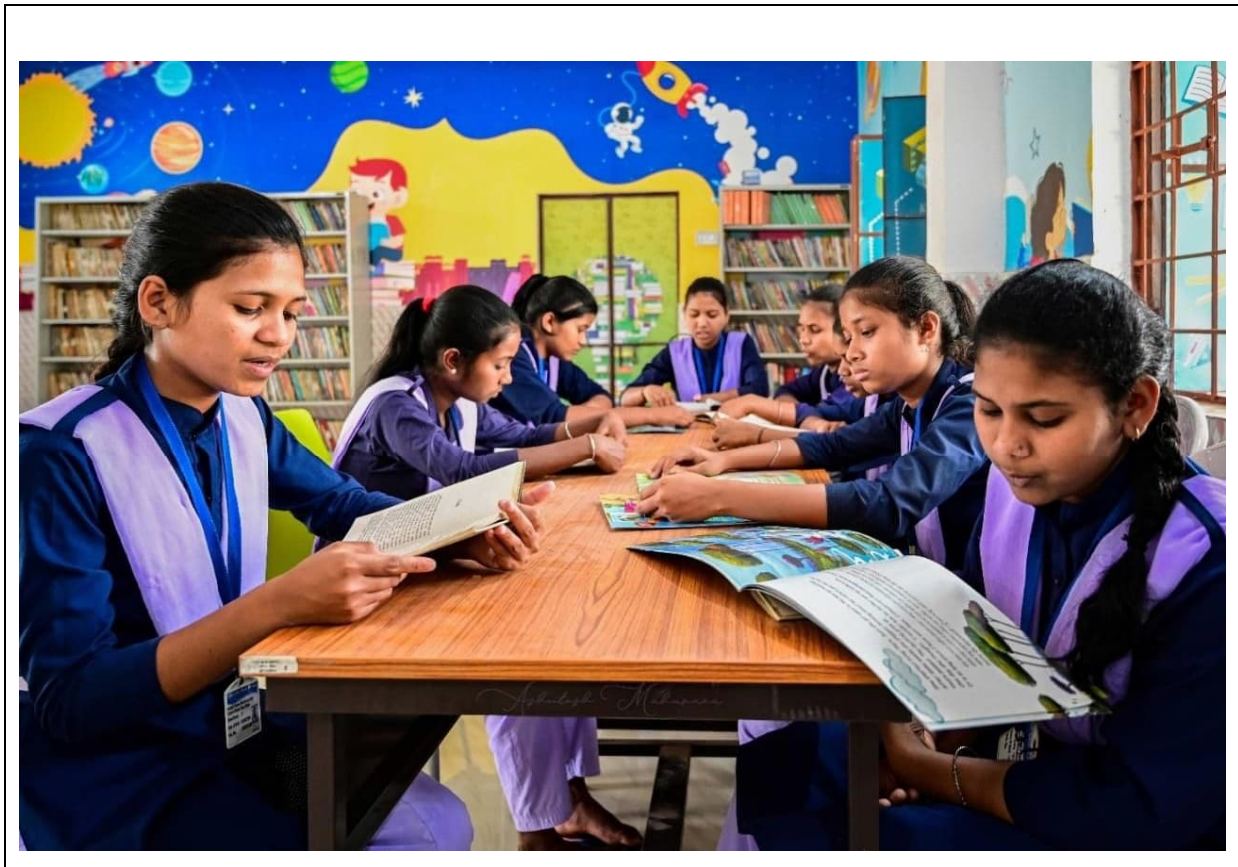

Name of The Project	LINK in MLE Schools
Executive Agency	DPC SSA
Amount Sanctioned	Rs 0.83 Cr

Establishment of LINK corner under MLE

A total of 83 Multilingual Education (MLE) schools located in mining affected areas have been provided with 'Local and Indigenous Knowledge Corner (LINK)'

'LINK' has been empowering the tribal children to develop self-respect and will aware them about rich heritage of their respective language and culture and will in turn ensure equitable quality education. It places community identifiable items/antiques in MLE schools, which

transports them to the lives and routine of any tribal community. Further, it provides a relevant curriculum which equips them with skills, knowledge, and values which in turn build the children to help contribute to the society and take pride in their indigenous identity. It also boosts their morale and help them contribute to the society and suggest innovations based upon their perspectives. It also helps the children build cultural pluralism by developing understanding to know different indigenous communities. With a sanctioned cost of Rs 0.83 Cr under DMF Keonjhar 'LINK' preserves the rich cultural heritage and promote cultural appropriate learning atmosphere as per the guiding principles of National Curriculum Frameworks -2005 & Norms of Right to Education Act-2009.

Name of The Project	High School Transformation
Executive Agency	DEO, Keonjhar
Amount Sanctioned	Rs 293 Cr

In line with Chief Minister Naveen Patnaik's vision to transform the government schools, 303 high schools have been transformed in Keonjhar.

In the first and second phase, as many as 100 and 203 government high schools across 13 blocks in the district saw complete transformation into integrated complexes of joyous learning under the ambitious programme. These schools are equipped with modern facilities such as smart classrooms, e-library, science lab, sports facilities, and other facilities. The focus was making the schools aspirational involving headmasters, sarpanchas, aluminis, SMC members and students at the schools. The total funds sanctioned under the program was 293 Cr under DMF Keonjhar.

10. FUTURE OUTLOOK

The change process is considered a basic starting point towards building the learning organization, which required changing the intellectual patterns in the short and long term, and the continuous endeavor to develop the capabilities and skills of individuals and enable them to understand the appropriate and effective ways of acting on the daily work in the organization, by developing Individual and collective skills, abilities, ambitions, personal mastery, and a shared vision.

District Mineral Foundation has been set up to work for the interest and benefit of people and areas affected by mining', through a participatory process and to implement various developmental initiative in key sectors such as drinking water, healthcare, skill development,

livelihood, sanitation and women & child development. DMF try to bring about a change in a holistic view, with its service delivery approach. Engagement of Participatory intervention in different core sector of DMF will benefit people at large.

Further, we will engage private sector, civil society organizations and individuals to explore innovative ideas and models in the priority sectors. This will ensure that we have access to the best capabilities and ideas for various development programs.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, and financial performance of the DMF in accordance with the accepted Accounting Standards. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinion on the financial statements based on our audit. We have conducted the audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. The Standard requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about the financial statements whether they are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedure selected depends on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control system relevant to the DMF's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.
