Sanitation	7.85	5.46
Total	6434.92	3520.75

Upon the above, the Collector remarked that all the concerned departments who have less than 75% UC status across the respective DMF projects as of now shall take prior steps to submit the same for early action at this end.

The PMU DMF then presented the information of projects submitted by Hon'ble MP and MLAs of Keonjhar of which the abstract is mentioned below:

Sr No	Name	Total Submitted Projects	Estimate received and	Sanctioned under DMF/State	Duplicate /Not feasible	Estimates pending from Department

			pending for A/A		as per ODMF Rules	
1	Smt. Minakshi Mahanta, Hon. MLA Champua	71	18	38	9	6
2	Shri Pranananda Nayak, Hon MLA Telkoi	2	-	2	0	0
3	Fr. Chandrani Murmu, Hon MP Keonjhar	12	-	7	3	2
4	Mr. Bhagirathi Sethy. Hon MLA Anandapur	112	10	22	29	51
5	Shri Mohan Charan Majhi Hon. MLA Keonjhar	8	-	-	-	8
	Total	205	28	69	41	67

Following this, discussion was done regarding the ODMF clause 12 'Special provisions for scheduled areas' wherein it has been made mandatory for obtaining approval of gram sabha "for all plans, programs and projects to be taken up in gram sabha area" situated within the Scheduled Areas. CEO DMF informed the chair that, DMF while issuing the administrative approval for the project clearly mentions in the A/A order that "The executing agency concerned has to take prior approval of Gram/Ward sabha before execution of project(s) falling in the area of gram sabha/municipality." Collector directed all the agencies to share the details at the earliest and informed that agencies shall keep a record of the gram sabha approval copy with them for future reference and whenever required this may be submitted to DMF Keonjhar.

Collector informed that Hon. CM on 18th Nov 2021 had inaugurated/announced and laid foundation for projects worth around ₹2000 Cr. He requested all the departments to place the inauguration/foundation stone in the prescribed format at the earliest and to share the photographs. In this regard, he directed the PMU DMF to share the list with the departments.

Further, RD 2 and RD Anandapur raised concerns over the work carried out for Mega PWS by EE RWSS Keonjhar/Anandapur. They mentioned that the engaged contractors on field are not repairing the excavated roads/berms and causing damage to the roads. Collector took serious note of this and directed CEO DMF to immediately stop the payment for EE RWSS Anandapur (for mega PWS). Additionally, he instructed RD dept to share the list of locations and details of the roads which are damaged to EE RWSS. He also directed EE RWSS Keonjhar/Anandapur to request the engaged supervision consultant to submit a report in this regard.

Moving on to the next agenda, Collector directed the member line departments to ensure that estimates for proposals submitted by Hon. MP/MLAs shall be submitted on priority. Also, he mentioned that departments shall submit project estimates for Trust Board approved projects after ascertaining the priority at their level as the departments are saturated with ongoing projects.

Following this, moving on to the next agenda, PD DRDA cum CEO DMF mentioned that the EY LLP on 07th April 2017 through a MoU was contracted to run the PMU DMF Keonjhar for a period of three years with a provision for extension by a period of another two years. Accordingly, the PMU was granted extension and the current MoU is in force till 06th April 2022. Further, he informed that since the current MoU will expire in the next 3-4 months, therefore a decision needs to be taken regarding next course of action to ensure smooth continuation of activities under DMF. Collector then enquired the meeting about the provision as per financial rules, if any further extension can be granted to the PMU. After deliberations in the meeting, it was discussed that since the MoU signed is for a maximum period of 5 years only and maximum extension has already been granted, it will therefore be prudent to go for a fresh RFP. The meeting agreed that floating a fresh RFP may be helpful for the district as competitive rates will be realized and it was also felt that a lot has changed w.r.t. activities of DMF since 2017, when the PMU was first conceptualized. It was then unanimously decided that a fresh RFP shall be floated at the earliest to ensure a smooth transition.

Now regarding RFP, it was unanimously decided that since EY LLP who is operating the PMU currently is a potential applicant, therefore, to prevent any conflict of interest, the RFP shall be floated by DMF Keonjhar without involvement of members of the PMU DMF. Collector further added that this instruction shall supersede the office order no. 273, dated 07.09.2017 issued by the then DC-cum-Chairman DMF Keonjhar wherein it was directed to move all the files through PMU DMF.

Further, as per deliberations in the meeting, it was finalized that the bidder will be selected under QCBS selection procedure and the RFP shall be prepared in accordance with the procedures prescribed herewith circulated vide Office Memorandum No. 37323/F, Dated: 30.11.2018 of Finance Department, Govt. of Odisha. Collector requested PD DRDA cum CEO DMF to prepare and submit a draft RFP for his approval at the earliest. He also requested the latter to set up a procurement committee under his chairmanship consisting of the following officials:

- a) PD DRDA Keonjhar
- b) Deputy Director DPMU Keonjhar
- c) CDM&PHO Keonjhar
- d) Treasury Officer Keonjhar
- e) Mining Officer Keonjhar

The meeting ended with a vote of thanks to the chair.

Collector-cum-Chairman & Managing Trustee,
DMF Keonjhar
