Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.

Contd..P/2

13. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
14. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
15. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
16. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
17. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
18. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilized or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
19. The project will become operative from the date of release of the first instalment of the funds for the project.

The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 11 as above.
15. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.

16. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
17. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
18. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
19. The project will become operative from the date of release of the first instalment of the funds for the project.

3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month – without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.

13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to-

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.

12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Para – 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to:

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Para – 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.

15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.

Contd..P/2

14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to-

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month -without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.

11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Para – 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Para - 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.

15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to-

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month -without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Para - 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.

17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

6. Utilization certificates in O.G.F.R.-7A shall be submitted after utilization of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.

15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.

4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month -without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilized or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. Scaling up of Creche initiative in Keonjhar district in Keonjhar shall be done as per the MoA executed with the Facilitating Agency.
5. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
6. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
7. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
8. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
9. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
10. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
11. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
12. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.

13. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
14. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 11 as above.
15. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
16. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
17. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
18. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
19. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.

11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10/11 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.

15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
13. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.

14. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 11 as above.
15. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
16. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
17. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
18. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
19. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.

15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilized or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1) The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2) The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3) Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4) The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5) Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6) Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7) Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8) E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9) The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10) The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11) Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12) The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13) The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14) The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.

15) If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.

16) The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.

17) The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilized or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.

18) The project will become operative from the date of release of the first instalment of the funds for the project.

8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Deparuments shall execute the project as per the timelines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality
2. The projects shall be executed as per the prevailing/ established procedures & codal provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the timelines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.
10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.

12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilised or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.

While implementing/executing the projects following procedure should be strictly adhered to –

1. The Executing Agency (E/A) concerned shall take prior approval of **Gram/Ward Sabha** before execution of project(s) falling in the scheduled area of concerned Gram Sabha/ Municipality.
2. The projects shall be executed as per the prevailing/ established procedures & code provisions of the department concerned.
3. Photographs of the beneficiaries shall be taken for record purpose. The photographs during & after the completion of the programme shall be submitted to DMF.
4. The E/A shall work out the list of the beneficiaries who are to be benefited from the projects. The final list with address must be supplied to the DMF, for record.
5. Success stories of the implemented projects to be prepared and provided to DMF by the executing agencies after completion of the projects.
6. Utilisation certificates in O.G.F.R.-7A shall be submitted after utilisation of funds, immediately.
7. Monthly Progress Report (MPR) shall be submitted by 5th of each succeeding month –without fail.
8. E/A are mandatorily required to submit the 'Completion Certificate' upon physical & financial completion of the project.
9. The Line Departments shall execute the project as per the time lines prescribed in the project. Any extension of time for approved project shall require prior approval from DMF Trust Board or Executive committee as the case may be.

10. The cost escalation on account of delay in project implementation attributable to the Implementing Agency beyond the period mentioned in approved proposal shall not be entertained.
11. Line Departments, Heads of Departments, Subordinate Offices and State Level PSUs or Autonomous Agencies under their administrative control, entrusted with the execution of DMF Projects shall have to ensure full compliance to queries raised in C & AG Audit, Performance audit, RTI Act etc. and provide necessary Documents/information/reports pertaining to the approved projects executed by them.
12. The funds released would be for the specific project mentioned in the sanction order and should be exclusively spent on the project for which it is sanctioned within the stipulated time. Any unspent part of the amount would be surrendered to DMF unless otherwise permitted by DMF.
13. The Implementing Agency will follow their own procedure for procurement of goods and services and execution of works for implementation of the projects sanctioned by DMF. The financial liabilities arising out of tender premium, cost escalation and time extension as well as dispute resolution or arbitration proceedings shall be done by DMF subject to the stipulation in Clause No. 10 as above.
14. The implementing Agency shall be required to maintain separate subsidiary accounts for the project following its own accounting procedure and get it audited by their internal or external auditors as per their extant rules and regulations.
15. If it is found expedient to keep a part or whole of the funds provided by DMF, by the Implementing Agency, for implementation of the projects/works/schemes in a Bank Account, the interest thus earned should be reported and remitted to DMF.
16. The Implementing Agency may not entrust the implementation of the projects/works/schemes for which funds have been sanctioned for the projects/works/schemes by DMF to another Implementing Agency or divert the funds to other Implementing Agencies except without express permission of DMF.
17. The DMF reserves the right to terminate the sanction of funds at any stage and also to recover the amounts already paid, if it is convinced that the funds have not been properly utilized or the work on the project/scheme has been suspended for any unduly long period or appropriate progress is not being made.
18. The project will become operative from the date of release of the first instalment of the funds for the project.
