

**Annual Report
2017-18 FY**

District Mineral Foundation

Keonjhar, Odisha

Message from Collector cum Chairman & Managing Trustee

Keonjhar district is bestowed with immense mineral wealth and it is only natural that the benefits of mining are shared fairly with those affected due to mining and related operations. The amendment to the Mines and Minerals (Development & Regulation) Act (1957) and the subsequent establishment of the District Mineral Foundation (DMF) in Keonjhar have played a key role in making this a reality.

In its third year of existence, the DMF continues to evolve as an institution that works for the inclusive growth of people in mining areas. More than 550 development projects under different sectors such as drinking water, education, health, infrastructure etc. have been approved and Rs. 1017 Cr have been sanctioned for the implementation of these projects so far. These projects when completed are expected to transform the mining affected areas of the district.

While investment on physical infrastructure is crucial to fast track the development of mining affected areas of the district, DMF is increasingly focusing on the welfare of the people from a Human Development prism where infrastructure is just a tool. In this context, thousands of drinking water supply projects have been established to 'fully cover' the affected communities with adequate and safe water. Educational infrastructure in government schools have been enhanced with the construction of additional classrooms, hostels and water-sanitation facilities. While Maternal Waiting Homes and Digital Dispensaries have vastly improved access to primary health services in remote areas, the introduction of super-speciality consultation in the District Headquarter Hospital (DHH) has opened up tertiary health care services, hitherto available in Cuttack-Bhubaneswar only. DMF is establishing creches for the children from mining affected families to address undernutrition, stunting and wasting. Along with these, a number of projects to create alternate livelihoods for mining affected families are in the pipeline.

One of the crucial aspects of making people partners in development is outreach and engagement. To this end, we have developed a dedicated website 'www.dmfkeonjhar.in' to share information regarding the various projects taken up under DMF. The website has a dedicated section to receive suggestions / feedback from the people.

I would also like to take this opportunity to thank the people of Keonjhar, the Board of Trustees, the various line departments and other stakeholders without whose co-operation and unwavering commitment, many of the initiatives would have never seen the light of day. I assure you that we have taken utmost care to ensure that the funds accrued under DMF are managed and utilized as per the Odisha DMF Rules, notified by the State Government.

On behalf of the Board of Trustees, I welcome you to peruse the report and engage with us to enhance the quality of life of the mining affected people of Keonjhar.

Collector-cum-Chairman & Managing Trustee
District Mineral Foundation, Keonjhar

1. What is DMF?

District Mineral Foundations (DMF) are statutory bodies established by the State Governments by notification. They derive their legal status from section 9B of Mines and Minerals (Development and Regulation) Act, 1957 as amended on 26th March, 2015 as Mines and Minerals (Development and Regulation) Amendment Act, 2015. This amendment came into force from 12th January, 2015. Each DMF is a trust established in the mining affected districts across the country.

The objective of DMF is to work for the interest of the persons and areas affected by mining related operations in such manner as may be prescribed by the State Government, from time to time.

2. Mission and Vision of the Trust

The mission of the District Mineral Foundation (DMF) Trust is to *“work for the welfare and development of mining affected communities”*.

The vision of the District Mineral Foundation (DMF) Trust is to *“alleviate the adverse impacts of mining on communities and environment, and create sustainable development opportunities for current and future generations”*.

3. Function of DMF Trust

The DMF Trust is responsible for:

- a) The implementation of various welfare and developmental projects in mining affected areas
- b) Minimizing/mitigating the adverse impacts, during and after mining, on the environment, health and socio-economic status of the people in mining areas
- c) Ensuring long term sustainable livelihoods for the affected people in mining areas

It undertakes the following activities for this purpose:

- a) Receive, maintain, manage, release and utilize the funds accrued
- b) Plan, identify, design and undertake suitable welfare and developmental projects, following due procedure
- c) Monitor and coordinate with various executing agencies at field level for successful implementation of projects taken up
- d) Ensure convergence with ongoing/existing schemes/projects of State and Central Government
- e) Identify and promote innovative solutions
- f) Ensure regular and swift redressal of grievances
- g) Coordinate with Planning and Convergence Department (GoO) and Steel and Mines Department (GoO)
- h) Any other work entrusted

4. Keonjhar: Overview of the district and the mining affected areas

Keonjhar district emerged as a separate district on 1st January, 1948. It is bounded by Mayurbhanj and Bhadrak districts to the east, Jajpur district to the south, Dhenkanal and Sundargarh districts to the west and West Singhbhum district of Jharkhand State to the north. Covering a geographical area of 8303 sq kms, the district lies between 21° 1' N to 22° 10' N latitude and 85° 11' E to 86° 22' E longitude. As per 2011 census, the total population of Keonjhar district is 18,01,733. The district comprises of a total of 9,06,487 male and 8,95,246 female population. Total SC population of the district is 2,09,357 whereas the ST population is 8,18,878.

Geographical and Population details of the District			
Geographical Area :	8,303.00 sq.km	Area under Forest : 3097 (sq. Km)	37.30%
Population (2011 Census)	Total :	1,801,733	(in %)
	Male :	906,487	50.31
	Female :	895,246	49.69
	Rural :	1,548,674	85.95
	Urban :	253,059	14.05
	Scheduled Caste :	209,357	11.62
	Scheduled Caste Male :	104,684	50.00
	Scheduled Caste Female :	104,673	50.00

5 Governance and Management of the Trust

5.1 Establishing Deed for the DMFT

In exercise of the powers conferred by sub-section (4) of section 15 and 15A, read with section 9B of Mines and Minerals (Development and Regulation) Act, 1957 (Act 67 of 1957), the Odisha District Mineral Foundation (ODMF) Rules, 2015 has been framed to regulate the composition, functions and manner of working of the District Mineral Foundations (DMF), the amount of payment to be made to the DMFs by the concession holders of minerals for the welfare and benefit of persons and areas affected by mining related operations vide Notification No. 7745/SM dt. 18/08/2015 of the Department of Steel & Mines, Government of Odisha.

The details regarding definitions, Trust and its constitution, composition of Board of Trustees of District Mineral Foundation, powers and function of the Board, composition, powers and function of the Executive Committee, funds of the Trust, bank accounts,

amount payable by lessees of minerals to the Trust, permissible activities, areas affected by mining operations, special provisions for scheduled areas, execution of works or contracts, maintenance of accounts, audit, annual report, maintenance of transparency, monitoring of the amount payable to the Trust, power of Government to relax the operation of any provision of these rules and power of Government to remove difficulties are explained in the above mentioned notification.

In pursuance of Order No. 16/7/2015-M.VI (Part) dated 16th September, 2015 of Ministry of Mines, Government of India, the Department of Steel & Mines, Government of Odisha have made amendments to Odisha District Mineral Foundation Rules, 2015, namely Odisha District Mineral Foundations (Amendment) Rules, 2015 vide Notification No. 437 dt. 15/01/2016. These rules shall be deemed to have come into force on 12th January, 2015.

5.2 Governance and Organization Structure of the DMF Trust

The DMF Trust is headed by the District Collector who acts as the Chairperson-Cum-Managing Trustee.

Project Director (PD), District Rural Development Agency (DRDA) acts as the member & Chief Executive for the executive Committee and is responsible for the executive functions of DMF Trust.

The Chairperson may invite such other officials to the meetings of the Board, as he may consider necessary. The Board shall meet at least twice in a financial year. The quorum for the Board shall be fifty percent of the members

5.3 Board of Trustees and Executive Committee

Board of Trustees

The Planning & Co-ordination Department, Odisha has constituted the Board of Trustees of District Mineral Foundation for the District of Keonjhar vide Notification No. 7666 dt. 12/06/2017. The Board of Trustees for the District Mineral Foundation Trust, Keonjhar are presented in the table below.

1	Collector, Keonjhar	Chairperson-cum-Managing Trustee
2	Addl. District Magistrate, Keonjhar	Ex-Officio, Member
3	Dy. Director, Mines, Joda	Ex-Officio, Member
4	D.F.O. (Territorial), Keonjhar	Ex-Officio, Member
5	Executive Engineer, Rural Works, Keonjhar	Ex-Officio, Member

6	Executive Engineer, RWS&S, Keonjhar	Ex-Officio, Member
7	Executive Engineer, R&B, Keonjhar	Ex-Officio, Member
8	District Welfare Officer, Keonjhar	Ex-Officio, Member
9	Chief District Medical Officer, Keonjhar	Ex-Officio, Member
10	Hon'ble MP, Keonjhar Lok Sabha	Ex-Officio, Member
11	Hon'ble MLA, Champua Assembly Constituency	Ex-Officio, Member
12	Hon'ble MLA, Keonjhar Sadar Assembly Constituency	Ex-Officio, Member
13	Hon'ble MLA, Anandpur Assembly Constituency	Ex-Officio, Member
14	Hon'ble MLA, Telkoi Assembly Constituency	Ex-Officio, Member
15	ZP Member, Zone-27, Joda Block	Ex-Officio, Member
16	Chairman, Barbil Municipality	Member
17	Chairman, Panchayat Samiti, Suakati GP, Banspal Block	Member
18	Sarpanch, Nayagarh GP, Jhumpura Block	Member

Executive Committee

In pursuance of rule 6 of Odisha District Mineral Foundation (ODMF) Rules, 2015, the Executive Committee of Keonjhar District Mineral Foundation has been constituted vide Notification No. 161 dt. 28/01/2016 of District Planning & Monitoring Unit (Planning Wing), Keonjhar with the following members

1	Collector, Keonjhar	Chairperson
2	Executive Engineer, Rural Works Division No. I, Keonjhar	Member
3	Executive Engineer, Rural Works Division No. II, Keonjhar	Member
4	Executive Engineer, Rural Works Division, Anandpur	Member
5	Executive Engineer, RWS&S Division, Keonjhar	Member
6	Executive Engineer, RWS&S Division, Anandpur	Member
7	Executive Engineer, R&B Division, Keonjhar	Member
8	Executive Engineer, R&B Division, Ghatgaon	Member
9	Divisional Forest Officer (T), Keonjhar	Member
10	Divisional Forest Officer (WL), Anandpur	Member
11	Deputy Director, Mines, Joda	Member
12	District Mining Officer, Keonjhar	Member
13	Project Director, DRDA, Keonjhar	Member & Chief Executive

DMF Trust has also appointed M/s Ernst and Young LLP, a multinational management consulting firm to establish and manage a dedicated Planning and Monitoring Unit (PMU) for enhancing the efficiency and effectiveness of the DMF. The resources in the PMU have been deployed since 29th May 2017 onwards.

5.4 Meetings of the Board of Trustees and Executive Committee

Meetings of both the Board of Trustees and the Executive Committee have been convened at regular intervals in order to ensure that relevant decisions are taken on a timely basis. The dates of the meetings of the Board and Executive Committee are presented in the table below:

SI No	Board Meeting	Executive Committee Meetings
1	11-07-2017	13-04-2017
2	04-09-2017	03-06-2017
3	25-11-2017	07-07-2017

AUDITORS' REPORT

We have audited the attached Balance sheet of DISTRICT MINERAL FOUNDATION KEONJHAR, OFFICE OF THE COLLECTOR AND DISTRICT MAGISTRATE, KEONJHAR, ODISHA-758001. as at 31st march, 2018 and also the Income & Expenditure accounts for the year ended on that date annexed thereto. The preparation of financial statements are the responsibility of the Chief Executive DMF, KEONJHAR. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards required that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believed that our audit provides a reasonable basis for our opinion.

We have obtained all information and explanations which to the best of our knowledge and believe were necessary for the purpose of the audit. Subject to our observation stated above & notes on account, in our opinion, to the best of our information and according to the explanations given to us, the said accounts give a true and fair view.

- i) In case of balance sheet of the state of affairs of the agency as on 31.03.2018.
- ii) In case of Income and Expenditure accounts, excess of Expenditure over income for the year ended on 31.03.2018.
- iii) In case of Receipts and Payments accounts for the Receipts and Payments for the year ended on 31.03.2018.

**REPORT ON OTHER, LEGAL AND REGULATORY
MATTERS**

We draw attention to the following matters in the **notes to the financial statement**:

1. **TDS ON BANK DEPOSIT INTEREST** : TDS on bank deposit interest Rs. 13,08,24,836/- has been debited to the income tax department during the financial year 2017-18 and it has been shown as expenditure, it is advisable DMF should obtain PAN at the earliest and take necessary steps for non deduction of TDS in the future.
2. **DMF COLLECTION**: DMF collection includes current year and arrear collection .It is advisable the details of current and arrear collection (year wise) should be maintained at the level of DDM-Joda/MO-Keonjhar (Steel & Mines Dept. Govt. of Odisha) and should be reported annually to DMF .
3. **TDS NOT DEDUCTED**: DMF expenditure on payment of remuneration to doctors are cover under TDS of Income tax Act, 1961. Therefore it is advised that DMF should obtain PAN card at the earliest and take necessary steps for deduction of TDS, while making payment to the doctors.
4. It is also advised that deduction of VAT, SD , Royalty, Cess by executing agencies , should be maintained in a separate register by the respective executing agencies and details of the same should be reported annually to DMF.

9. SUCCESS STORIES

Name Of The Project	<ol style="list-style-type: none"> 1. Installation of solar based Water Supply system 2. Improvement of rural piped water supply.(RPWS)
Executive Agency	RWSS, Keonjhar
Amount Sanctioned	<ol style="list-style-type: none"> 1. ₹ 25.82 Lakhs 2. ₹ 77.75 Lakhs
<p>District Mineral Foundation, Keonjhar, from day one onwards, gave the highest priority to drinking water supply and took up numerous projects across the mining affected areas of the district.</p> <p>These initiatives have already resolved the drinking water requirements of more than 100,000 people in the mining affected areas of the district and on completion will secure the drinking water needs of more than 600,000 people.</p> <p>The use of solar power on a large scale has reduced the dependence on conventional power supply, often erratic in rural areas.</p>	

Name Of The Project	Daitary to Harichandanpur road from 16.00 km to 24.00 km
Executive Agency	R&B, Ghatgaon
Amount Sanctioned	₹ 9.99 Cr
<p>Geographically, the terrain of the district is difficult. Last mile connectivity of villages/habitations in remote and hilly pockets is a major challenge. Due to lack of connectivity, emergency services like ambulances are unable to reach during critical situations, especially during the monsoon season.</p> <p>Therefore, to provide all weather road connectivity to the people, living across the mining affected areas, District Mineral Foundation, Keonjhar is making large scale investments to construct/improve roads and bridges, as per the need of different villages/habitations.</p>	

Name Of The Project	Addl. Classroom at Girigaon H/S, Hatadihi
Executive Agency	RD, Anandapur
Amount Sanctioned	₹ 30.63 Lakhs
<p>Keonjhar is not only socio-economically under developed, but it is also an educationally backward district. Ten out of the thirteen blocks in the district have been identified by the Ministry of Human Resource Development (MHRD), Govt. of India as educationally backward, where the level of rural Female Literacy Rate (FLR) is less than the national average and the gender gap in literacy rate is above the national average. It is in this context that the District Mineral Foundation, Keonjhar is focussing on improving the infrastructure of schools in the mining affected areas of the district.</p> <p>In close co-ordination with the office of the District Education Officer (DEO) and District Project Coordinator (DPC) – Sarva Shiksha Abhiyan (SSA), a systematic, school wise survey was carried out. A total of 131 primary and upper primary schools and 54 high schools have been taken up for infrastructural augmentation including construction of additional classrooms, library, science labs, hostels, water supply etc.</p>	

Name Of The Project	DMF Initiated Crèches Against Malnutrition (DICAM)
Executive Agency	DSWO, Keonjhar
Amount Sanctioned	₹ 320 Lakhs
<p>Malnutrition is one of the significant challenges in the mining affected areas of Keonjhar. When malnutrition occurs in early childhood, it leads to poor physical, intellectual and cognitive development, which is likely to have its effect throughout one's life. Anganwadi Centres (AWC) have been established across the state under the ICDS programme. However, children below 3 years of age (the period when malnutrition sets in) are not covered under the Anganwadi centres.</p> <p>In this context, District Administration, Keonjhar launched a project called DMF Initiated Crèches Against Malnutrition (DICAM) under which crèches or Mamata Ghara have been established at 30 remote and needy locations, which are mining affected. In these crèches, nearly 600 young children are provided with all basic necessities like nutritious food, clean clothes and a safe environment. They are cared for and have access to health facilities and early education.</p>	

Name Of The Project	Maternal Waiting Homes (MWH)
Executive Agency	CDM & PHO, Keonjhar
Amount Sanctioned	₹ 85.73 Lakhs
<p>Maternity waiting homes are residential facilities, located near a qualified medical facility, where pregnant women identified as “high risk” can await their delivery and be transferred to the nearby medical facility shortly before delivery, or earlier should complications arise. Maternity waiting homes are key element of a strategy to “bridge the geographical gap” in obstetric care between rural areas with poor access to equipped facilities and urban areas where the services are available. As one component of a comprehensive package of essential obstetric services, maternity waiting homes offer a low-cost way to bring women closer to essential obstetric care.</p> <p>To reduce maternal and infant mortality in the mining affected areas, five Maa Gruhas have been established under the DMF to aid the pregnant mothers living in difficult and inaccessible pockets in availing institutional delivery services.</p>	

Name Of The Project	Digital Dispensary
Executive Agency	CDM & PHO, Keonjhar
Amount Sanctioned	₹ 142.41 Lakhs
<p>In Keonjhar district, where more than 85% of the populations live in rural areas, the DMF decided to establish Digital Dispensaries in PPP mode to provide primary health services in the underserved areas.</p> <p>Two Digital Dispensaries, a first of its kind in Odisha, were set up in Guali PHC and Kalimati PHC, located in the mining affected Joda block and provide free consultation, diagnosis and medicine to a catchment population of more than 40,000 people. Considering the positive impact of the project and the health needs of the rural parts of the district, 6 more Digital Dispensaries are in the process of being set up in the underserved locations of the district, under DMF.</p>	

7. FUTURE OUTLOOK

Board of Trustees of DMF have committed to sustain their efforts towards development initiatives in key sectors such as drinking water, healthcare, skill development/livelihood, sanitation and women/child development. These will be supported by infrastructure projects such as construction of roads, bridges and buildings.

We will leverage the extensive support extended by the State Government (such as appointment of nodal officers in key state departments and issuance of guidelines for submission of programs) as well as work closely with Planning and Convergence department to identify areas where complementing an existing government scheme with DMFT's resources may amplify the impact of the scheme significantly.

Further, we will engage private sector, civil society organizations and individuals to explore innovative ideas and models in the priority sectors. This will ensure that we have access to the best capabilities and ideas for executing various development programs.

8.2 Annexure II – Proceedings of Board of Trustee Meetings

8.2.1 Proceedings of Trust Board meeting dated 11/07/2017

Proceeding of the 4th Trust Board meeting of District Mineral Foundation, Keonjhar held on 11.07.2017 at 11.30 AM at Durbar Hall, Collectorate, Keonjhar

The 4th Trust Board meeting of District Mineral Foundation, Keonjhar was held on 11.07.2017 at 11.30 AM under the Chairmanship of Dr. N. Thirumala Naik, I.A.S. Collector, Keonjhar and Chairperson-cum-Managing Trustee, DMF, Keonjhar. The members present in the meeting is at "Annexure-A".

At the outset, Chairperson-cum-Managing Trustee welcomed all the members and also the newly inducted Trust Board members to the meeting notified by the Government in Planning & Convergence Department.

He informed the concern of the Government in a recently convened state level meeting chaired by the Chief Secretary on development and utilization of funds in mining affected areas of the district.

He also informed that Government has been moved to engage Mining Institute of Dhanbad to undertake a study to determine on directly and indirectly mining affected areas. D.D.M. Joda has also been requested to furnish the list of villages coming within 10 Km of different mines by using topo-sheet.

Hon'ble M.L.A. Champua opined that district headquarters of Keonjhar and nearby villages like Raisuan and Padmapur, etc. be taken as mining affected area as these areas are close to Gandhamardan mines and coming within 10 kilometres of aerial distance.

Further, he said that against the total collection of rupees 1019 crores the expenditure so far is only 36.66 crores and the Executive Engineer, RWS&S, Keonjhar alone has spent more than Rs.20.00 crores. He requested the executing agencies to submit pending bills for release of fund and to speed up of the pace of execution of works and expenditure of funds.

Collector also stressed on the need for preparation of Annual Work Plan for DMF duly approved by Palli Sabha and assured that village-wise requirements in mining affected areas will be assessed within next 3 months.

Shri Nrusingha Charan Swain OAS(S), Project Director, DRDA, Keonjhar-cum-Chief Executive, DMF requested the members to offer their valuable suggestions for implementation of viable projects in the District. He also sought cooperation of the executing agencies for timely completion of the projects. He then placed the agenda of the meeting for detail discussion and decisions of the Trust Board.

The Executive Engineer, RWSS Keonjhar apprised that against the target of 830 solar PWS projects, he has so far completed 474 projects and solar panel has been installed in 144 cases. In 50 cases, solar panel is to be fitted during July, 2017. Under tube wells programme, against the target of 416, so far 210 tube wells have been completed; in 159 cases hand pump have been fitted. Sinking of the balance 51 tube wells will be completed by end of July, 2017. Under PWS projects, against the target of 8, 3 projects have been completed so far. During July end 2 more PWS namely, Kasia and Hatidari will be completed.

Hon'ble M.L.A. Champua opined that permanent provision of drinking water should be made as ground water level is depleting day by day. He therefore suggested to go for very deep tube well so that they would not be defunct in two-three years.

PD, DRDA informed the House that the proposal for 09 villages viz: Jodabaka & Jhunabadi village in Padhiarypally G.P., Kantigadia, Karanjabhati, Podasingidi and Saralapashi villages in Pandadu G.P., Baranga and Sundarapal village in Jambhira G.P. under Hatadihi Block and Upper Kadakala under Kadakala G.P. under Banspal Block as mining affected villages has been received. If approved, the total number of mining affected villages will be 242. The list was placed in the Trust Board meeting for approval. After discussion the list of 242 villages was approved by the Trust Board.

Many members raised the objection that though many villages are actually affected by the mining activities, they have not been included in the list of Mining affected villages and the benefits of the DMF have not been extended to them. It was therefore decided to request the Deputy Director of Mines, Joda and the Mining

Officer, Keonjhar to verify and submit a detailed report regarding the mining affected villages as per the DMF rules.

PD, DRDA further apprised that out of 433 projects approved for implementation, so far Rs. 372.0398 Crore have been sanctioned, administrative approval accorded and returned to the executing agencies for execution. U.C. of Rs. 23.2313182 Crore has been received so far against released amount of 36.6663168 Crore.

It was decided that 22 projects approved in 2nd phase for different executing agencies are to be cancelled as most of the projects have already been taken up in 1st phase as well as from other sources. In course of discussion Hon'ble MLA, Champua brought to the notice of the house that further improvement of road project i.e. Rugudi-Katesahi in Joda Block beyond the work taken up by M/S K.J.S. Ahluwalia is badly required for benefit of the public. E.E. RWD-II, Keonjhar was requested to submit the plan & estimate immediately for taking up the said project under DMF.

Collector and Chairperson impressed upon the Executing Agencies for early execution of DMF projects which are already sanctioned and to complete the same as per the time duration of the estimate. The Collector also reiterated that all line department officers must go through the guidelines, rules and important instructions / circulars of DMF received from the government and line department officers shall furnish admissible and feasible project proposals under DMF. The project proposals should be submitted on High Priority and Other Priority Sectors as mentioned in the DMF rules/ guidelines. Further agencies were impressed upon to submit innovative projects on High Priority Sectors.

Project Director, DRDA stated that fresh project proposals have been received from different agencies as well as Govt. and the list of the same has been circulated among the members of the Trust Board. It was decided to scrutinize and to verify the feasibility before execution of the projects as funds will be sanctioned as per availability of funds and decision of the trust. Intervening in the discussion, Collector categorically instructed that before submission of the project proposal the feasibility and viability of the projects should be verified by utilizing the services of

concerned J.E.s/ A.Es. The project proposals approved in the Board meeting is at **Annexure-B and Annexure-C.**

In course of review on infrastructure projects, Hon'ble M.L.A. Champua proposed for improvement of Durby Chowk-Nasarda-Kalinga road. After discussion and in view of necessity, Executive Engineer, Keonjhar R&B was requested to prepare and submit plan and estimate to DMF for execution of the project.

Ex-officio Member Hon'ble M.L.A. Champua Shri Sanatan Mahakud suggested that there is scarcity of drinking water in Champua and Barbil areas. He stated that the 1st phase of work taken up at Barbil has not so far been able to provide drinking water to the people of Barbil. He expressed his displeasure and requested the house for immediate provision of drinking water supply. Further he stated that the old age home projects should be taken up in three sub-divisions viz: Anandapur, Champua & Keonjhar Sadar. He also suggested that ELISA machine should be installed at District Hospital, Barbil, Champua and Anandapur for prevention of Dengue. Hon'ble M.L.A. also suggested for installation of Ultra sound machine at District Hospital.

Hon'ble M.L.A. Champua wanted to know about execution of the Barbil bypass road. The Executive Engineer, R&B Keonjhar stated that Plan and Estimate is under preparation and he will submit the same soon.

Project Director, DRDA, Keonjhar suggested that 40 Primary schools / Upper Primary Schools at the rate of one each at selected Gram Panchayat with adequate student strength is proposed for strengthening as Model School. The Model schools will be provided with Library, Lavatory, electricity/solar lighting, water supply, boundary wall as well as posting required teachers etc. The AWC is also to be located at the same school premises.

It was decided that 30 Schools under ST-SC Development Department will be provided with dining hall and library on its 1st floor. Collector instructed the DWO to furnish project proposals within 15 days without fail.

Collector apprised that services of Super Specialists are not available at the District Headquarters Hospital and therefore poor patients who are not able to move

to any Medical College Hospital are being deprived of such health facility. Therefore, in order to provide specialized treatment at the district level consent from the Super Specialist in the field of cardiology, Heart, Kidney, Cancer, Neurology have been called for and some doctors have responded to it. They will visit district hospital on weekly or fortnightly basis on payment basis to be borne from DMF.

Preparation and submission of Annual Report for the year 2015-16 and 2016-17 was discussed. It was decided that the PMU will ensure submission of the Annual Report within a fortnight for submission to Government and thereafter Annual Report for the year 2016-17 is to be submitted to Government within one month.

DPM, NHM, Keonjhar suggested for DMF assistance for introduction of mechanized laundry on PPP mode at District Hospital, SDH, Anandapur, SDH, Champua and at UGCHC, Ghatgaon. After a threadbare discussion the Trust Board DPM was requested to submit proposal for consideration.

The Project Director, DRDA placed in the Trust Board for approval of contingency expenditure of Rs.1,05,823.00 incurred by DMF. The Board approved the same.

Intervening discussion, Collector stated that, clarification regarding taking up projects in the areas wherein the people are suffering due to mining activities indirectly, is still awaited from the Govt.

Lastly, Addl. District Magistrate, Keonjhar conveyed the vote of thanks to the Collector & Chairperson and the members present in the meeting for their valuable suggestions.

8.2.2 Proceedings of Trust Board meeting dated 04/09/2017

Proceeding of the 5th Trust Board meeting of District Mineral Foundation, Keonjhar held on 04.09.2017 at 04.00 PM at Durbar Hall, Collectorate, Keonjhar

The 5th Trust Board meeting of District Mineral Foundation, Keonjhar was held on 04.09.2017 at 04.00 PM under the Chairmanship of Dr. N. Thirumala Naik, I.A.S. Collector, Keonjhar and Chairperson-cum-Managing Trustee, DMF, Keonjhar. The members present in the meeting is at "Annexure-A".

At the outset, Chairperson-cum-Managing Trustee welcomed all the members to the meeting and appraised the house that previously basing on the list of mining affected villages received from P.R. Department under Biju Pucca Ghar Yojana, the same was accepted by DMF, Keonjhar. In the last Trust Board Meeting, as was decided, DDM Joda & Mining Officer, Keonjhar have submitted a total list of 495 villages which are coming within 10 km radius of mines. They have prepared the list basing on topo sheet mapping. Earlier, the total list of mining affected villages was 242 and there was request from the members for inclusion of more villages.

The list of 495 villages was placed before the Trust Board for information of the members. After discussion the list was approved. Further, it was also suggested by Collector that ORSAC should be requested to identify the villages coming within 10 kilometre radius of mines in a scientific and error free manner. The proposal was also approved by the Trust Board after discussion.

As regards indirect mining affected villages, it was opined that there is no specific definition / clarity basing upon which the list of such villages can be identified. Thus, it was decided to move Govt. to clarify the matter.

In course of discussion, Hon'ble Member & MLA, Champua raised the bad condition of the road from Dabuna to Ranasa. Hon'ble Member also spoke that under Govt. housing scheme the unit cost is inadequate as because sand is not locally available and the same is being transported from Anandapur which is 150 km away. He suggested to move the Govt. to enhance the Unit Cost.

It was decided to submit the proposal to Govt. for 4-laning of Bamebari-Joda Ranasala road under NH.

-2-

2. Collector-cum-Managing Trustee apprised the Trust Board members that the State Cabinet has approved for execution of Govt. Medical College & Hospital at Keonjhar. Also tender for the work has been finalised in favour of M/s Tata Projects Ltd. at a cost of Rs.381.78 crore. DMF has already placed ₹55.00 crore for the purpose. As required Para-5(e) of Odisha District Mineral Foundations (Amendment) Rules, 2015 the Trust Board has to accord administrative approval to the project for execution. Elaborate discussion over the matter was made and the Trust Board accorded A/A to the project and expressed that the project should be completed within the time limit of 24 months.
3. Preparation of Perspective Annual Plan was discussed. The Collector-cum-Managing Trustee apprised the members that for undertaking various development works in the mining affected villages it is necessary for preparation of detailed planning and reputed firms having working experience in the field is to be engaged for preparation of plan. It was decided to engage a reputed firm having experience in such field work who would be able to submit the report within 3 to 6 months. The Trust Board approved the suggestion for further action. The expenditure in this regard is to be met out of administrative expenses of DMF.
4. Hon'ble MLA, Champua suggested for construction of library building and provision of books for different colleges of the district. Wherever building is available, books can be given to the colleges. It was decided to collect college wise information for necessary consideration.
5. Hon'ble MLA, Champua raised the repairing of road from OMC Office to Birsa Munda Chowk of Barbil. Collector apprised that estimates for this work has been received from R&B, Keonjhar and it will be cleared soon.
6. Hon'ble MLA also spoke that the saving amount of AWC building should be spent for the same centre by taking up extra required work/beautification instead of surrendering to Govt.
7. Hon'ble MLA spoke on substandard work done by RW division for the road work - Jhargaon - Bhuyanroida and funded by M/s OMC Ltd. at a cost of ₹98.31 lakh. It was decided to request Chief Engineer, RW to get the matter enquired into by a technical team.

-3-

The following projects proposed are also approved in 5th Trust Board.

- A rest-shed at JNV, Hadgarh
- Construction of additional classrooms at JNV, Hadgarh
- Development play ground at JNV Hadgarh and Kendriya Vidyalaya Keonjhar
- Recreation Centre for Senior Citizen at Keonjhar, Joda and Barbil
- Distribution of Aids and Appliance to Disabled Persons
- Weaving-cum-stitching unit at Banspal Block.
- Setting up of a coaching centre at Keonjhar for competitive exams
- Provision of cots for Urban deprived inmates at Keonjhar and Barbil @ 50 Cots Per Hostel .
- Additional Classrooms, Library and other Infrastructure for +2 and +3 Colleges in mining affected area.

Lastly, Project Director, DRDA, Keonjhar-cum-Chief Executive, DMF, Keonjhar conveyed the vote of thanks to the Collector & Chairperson and the members present in the meeting for their valuable suggestions.

8.2.3 Proceedings of Trust Board meeting dated 25/11/2017

PROCEEDINGS OF THE 6TH MEETING OF D.M.F. TRUST BOARD HELD ON
25.11.2017 AT 10 AM IN MINI CONFERENCE HALL OF COLLECTORATE,
KEONJHAR.

The 6th meeting Trust Board of DMF, Keonjhar was held in the Mini Conference Hall of Collectorate, Keonjhar under the chairmanship of Dr. N. Thirumala Naik. I.A.S. Collector-cum-Managing Trustee, DMF, Keonjhar. Dr. R. K. Sharma, IAS, Principal Secretary to Government, Steel & Mines Department, Odisha attended the meeting as Observer. The list of participants is enclosed in Annexure-I.

At the outset, the Collector welcomed all the members of the Trust Board as well as Dr. R.K.Sharma, IAS, Principal Secretary to Government, Steel & Mines Department, Odisha to the meeting and briefed the members on different activities undertaken by DMF, number of projects sanctioned/ taken up and expenditure so far incurred. The PMU team of DMF made power point presentation on the activities under various schemes and details of project proposals received from different quarters for sanction. Collector expressed concern over slow pace of expenditure incurred by different executing agencies in comparison to the funds collected. He also added that this district is lagging behind in preparation of plan as per the need of the mining affected villages of the district due to the laxity of the Line Departments. To expedite the pace of expenditure, he suggested to formulate annual perspective plan for the mining affected villages of the district in each development sector to cater the actual need of the affected population.

Drinking Water Supply

Progress so far made under drinking water sector was reviewed. The Executive Engineer, Keonjhar RWS&S Division indicated the total view of the projects executed by him. In course of review of drinking water supply to the mining affected villages, Principal Secretary emphasized on timely maintenance of the solar based water supply systems within 24 hours of complainant received. The Executive Engineer, Keonjhar RWS&S Division mentioned that in case of any malfunctioning Solar pump fitted bore wells, OREDA personnel are attending the repairing works on war footing. He also said that there is delay in procurement of spare parts due to coming into force of GST. He mentioned the problems being faced by his department during rainy season with regard to movement of repairing vehicle. The Executive Engineer indicated on misuse of drinking water source for

other than drinking water. Collector suggested that the capacity of the overhead tanks should be enhanced so as to supply piped drinking water to each household.

In course of review of drinking water supply to the mining affected villages, Executive Engineer, Keonjhar RWS&S Division mentioned about mega piped water supply project, Mirigisingha, Champua which is being implemented out of State funds and executed by M/s L & T Ltd. He said that after its completion after 4 years, assured drinking water can be made available to some mining affected villages. Therefore, provision of drinking water supply to these villages is necessary for the intervening period of 4 years.

Executive Engineer further mentioned that quite a good number of tube well have been sunk by different companies in Joda-barbil areas under their CSR activities; but it is found that in most cases there is inadequate discharge of water due to failure of ground water. Principal Secretary instructed that necessary instructions be given to D.D.M., Joda to convene a meeting with different lessees wherein Executive Engineer will explain remedial measures in this regard. This should be done within 15 days.

Hon'ble Member of Parliament(LS), Keonjhar brought to the notice of all concerned and said that there is no specific timing by different water supply schemes for which users are facing lot of difficulties in collection of drinking water. Executive Engineer, RWS&S, Keonjhar mentioned that due to power failure there is deviation in timing in supply of water. It was decided that the Executive Engineer should fix up timing for both morning and evening for convenience of the users.

Education:

Progress of construction of additional class rooms for different mining affected schools was discussed. The Principal Secretary wanted to know about the blackboards to the class rooms. He advised it is better to provide wooden blackboard under DMF instead of wall painted blackboard which is very often found unworthy to write after the black colour is fade. Collector instructed the executing agencies to fix up blackboards in a innovative method.

In course of review, dismantling of dilapidated educational building was discussed. Principal Secretary opined that dilapidated school buildings should be dismantled at the earliest for the safety of the school children. District Education Officer mentioned that she is facing problems in the matter as required funds is not available to hire JCB Machine or engage contractor for the works.

-3-

HEALTH

Collector indicated on different programmes taken up under DMF under health sector. He mentioned about digital dispensary functioning at Kalimati and Guali in the mining affected area. Patients of the entire district are getting better treatment facility after introduction of Super Specialists services at DHH, Keonjhar under the supervision of C.D.M.O.

Principal Secretary advised that construction of medical buildings under health sector should not be taken up where posting of doctor/ para medical are involved as this may create problems for posting by Government.

MEDICAL COLLEGE BUILDING

Collector appraised that DMF has sanctioned the project at a cost of Rs.381.79 Crore. The drawing and design of the building has been submitted to the IIT, Kharagpur for vetting. M/s Tata Projects Ltd has been awarded to execute the work and the construction work is yet to start. People of the district want immediate construction of the Medical College building.

ESTABLISHMENT OF CRECHES

Principal Secretary laid emphasis on establishment of crèches at different mines for the benefit of working women labourers. On a query, D.D.M. Joda mentioned that only the big mining houses have set up crèches at their mines. Collector informed that DMF has decided to set up 30 crèches in the district and initial work has started.

MEGA PROJECTS

Collector also mentioned about delay in execution of Heavy Motor Vehicle Institute at Keonjhar at a cost of Rs.14.90 Crore. IDCO has been assigned with execution of the project but there has been no progress so far although the project has been sanctioned a year back. Similar is the case of establishment of Science Sub-Centre at Bodapalasa, Keonjhar.

URBAN PLANTATION AND ECO-TOURISM

Urban tree plantation work has been taken up in Barbil Municipality area by the D.F.O., Keonjhar division and the work has been completed. Besides, a Eco-tourism complex has been set up at Sanghargra water fall coming under Anjar G.P. of Banspal Block under skill development sector for the tourists coming from different places.

-4-

CREATION OF PARKS

Provision of parks was discussed. Principal Secretary suggested that there should be adequate parks in different urban areas of the district. Collector mentioned that DMF has made provision for improvement of 3 parks in urban areas at a cost of Rs.50.00 lakh each.

SKILL DEVELOPMENT

Collector appraised that DMF has planned for setting up of a Skill Development Institute at a cost of Rs.25.00 Crore and the youths of the mining affected areas will be benefitted for their livelihood.

CONNECTIVITY

Principal Secretary emphasized on good connectivity in the rural areas for the benefit of the mining affected villagers over and above improvement of important roads. Collector mentioned that infrastructure like road is coming under other priority sector and therefore adequate care will be taken for rural connectivity.

Principal Secretary also wanted to know the details of roads coming under various Urban Local Bodies.

Chairperson, Barbil Municipality mentioned for establishment of Kalyan Mandap at Barbil. He also mentioned that he has already submitted proposals for Kalyan Mandap, slaughtering house, water treatment plan etc.

Augmentation of Barbil Water Supply project was discussed. Collector said that the proposal has been sanctioned by DMF, Keonjhar in the 1st phase of work on 6.2.2016, administrative approval has been given on 30.6.2017 at a cost of Rs.1786.27 lakh. Though tender for the work has been finalized still the work has not yet started and the project is pending at the level of Chief Engineer, P.H.(Urban). Principal Secretary said that he would talk to Secretary, H&UD Department in this regard.

Principal Secretary said that the list of projects pending at higher quarters be given to him so that he will take up the matter at appropriate level for early clearance.

Collector mentioned that huge projects under drinking water, roads and buildings, school buildings have been sanctioned and there is no adequate engineering personnel in different divisions of RWSS, Rural Works and R&B divisions of the district for timely preparation of plan and estimates and supervision. Hence, there will be delay in execution of DMF projects in absence of

adequate officers. Principal Secretary said that he would take up the matter at the Government Level for deployment of additional staff to different divisions.

Proposal of North Odisha University for establishment of its 2nd Campus at Keonjhar was discussed. Collector mentioned that project proposal for undertaking infrastructure works for establishment of 2nd campus has been received with total outlay of Rs. 99.47 crores. The proposal can be considered under Education sector which comes under High Priority Sector.

APPROVAL OF PROJECT PROPOSAL RECEIVED

Project Proposal received from different quarters was discussed. Principal Secretary said that the executing agencies should prepare the plan and estimates of all the approved projects at early possible means to that execution will be started soon and the pace of expenditure will be expedited. The constraints should be pointed for delay, so that these can be resolved.

After discussion, the project proposals were unanimously approved by the Trust Board. The list of the approved projects is enclosed as Annexure- II. However, the proposal for OSME and North Odisha University needs to be routed through the appropriate department for approval.

Also, projects related to energy sector in Annexure-III will be taken up once the Odisha DMF Rules are modified to permit the same.

At last, Shri Nrusingha Charan Swain, OAS(S) Project Director, DRDA-cum-Chief Executive, DMF, Keonjhar thanked all the participants and Dr. R. K. Sharma, I.A.S. Principal Secretary, Steel & Mines Department for his valuable suggestions and instructions and the meeting was ended with vote of thanks to the chair.
