**District Mineral Foundation  
Keonjhar, Odisha**

**Message from the Collector cum Chairman & Managing Trustee,  
District Mineral Foundation, Keonjhar**

The establishment of District Mineral Foundation (DMF) after the amendment of Mines and Minerals (Development and Regulation) Amendment Act 2015, has enabled Keonjhar district - bestowed with immense mineral wealth, to share the benefits of mining fairly with those who are affected due to mining and related operations.

In its fifth year of existence, DMF has positioned itself as an ardent promoter of livelihood and allied activities while focusing on providing basic amenities to people living in mining affected areas. To ensure inclusive growth spanning all sectors, special

focus was given to the projects sanctioned during the previous years, in addition to the initiation of new innovative projects. A total of 189 new projects were sanctioned during 2019-20, and more than Rs. 130 Crores have been sanctioned for the implementation of these projects.

With livelihood as the focus, special emphasis has been given towards promotion of Agriculture Production Clusters (APC), improvement of irrigation related facilities, expansion of Millet Mission Program, plantation of Tasar host trees and development of central nurseries for Tasar plantation, etc. Educational infrastructure has been made more robust with provision for electric service connection for all Govt. and Govt. aided schools. The ongoing support mechanism for students like enhancing nutrition in MDM, LINK centers, etc. have been topped up with a new DMF Scholarship Scheme for students of Class III, V and VIII. To improve the health care delivery in the district, focus has been made on improving infrastructure and upgrading facilities at DHH, SDHs, CHCs and PHCs. To ensure better handling of solid waste in the district, waste collection vehicles have been provided to every municipality with a vision to make Keonjhar cleaner and greener.

To ensure that the projects attain the desired output, special emphasis is given to preserve excellence in the implementation of these projects. The success of many of the projects have been assessed and necessary projects have been scaled-up considering its impact in transforming mining affected areas. To make the entire process citizen-centric and ensure active participation, the website '[www.dmfkeonjhar.in](http://www.dmfkeonjhar.in)' has been constantly updated to provide all information with respect to the projects.

I would like to take this opportunity to thank the people of Keonjhar, the Board of Trustees, the various State government departments and other stakeholders without whose co-operation and unwavering commitment, many of these initiatives would never have seen the light of the day. I assure you that we have taken utmost care to ensure that the funds accrued under DMF are managed and utilized as per the Odisha DMF Rules, notified by the State Government.

On behalf of the Board of Trustees, I welcome you to peruse the report and engage with us to enhance the quality of life of the mining affected people of Keonjhar.

Collector – cum – Chairman & Managing Trustee,  
District Mineral Foundation, Keonjhar

### **1. What is DMF**

District Mineral Foundations (DMF) are statutory bodies in India established by the State Governments by notification. They derive their legal status from section 9B of Mines and Minerals (Development and Regulation) Act, 1957 as amended on 26 March 2015 as Mines and Minerals (Development and Regulation) Amendment Act, 2015. This amendment came into force from 12 January 2015.

Each DMF is a trust or non-profit body in the mining operation affected districts.

The objective of DMF is to work for the interest of the benefit of the persons and areas affected by mining related operations in such manner as may be prescribed by the State Government.

### **2. Mission and Vision of the Trust**

The mission of the District Mineral Foundation (DMF) Trust is to “work for the welfare and development of mining affected communities”.

The vision of the District Mineral Foundation (DMF) Trust is to “alleviate the adverse impacts of mining on communities and environment, and create sustainable development opportunities for current and future generations”.

### **3. Function of DMF Trust**

The DMF Trust is responsible for:

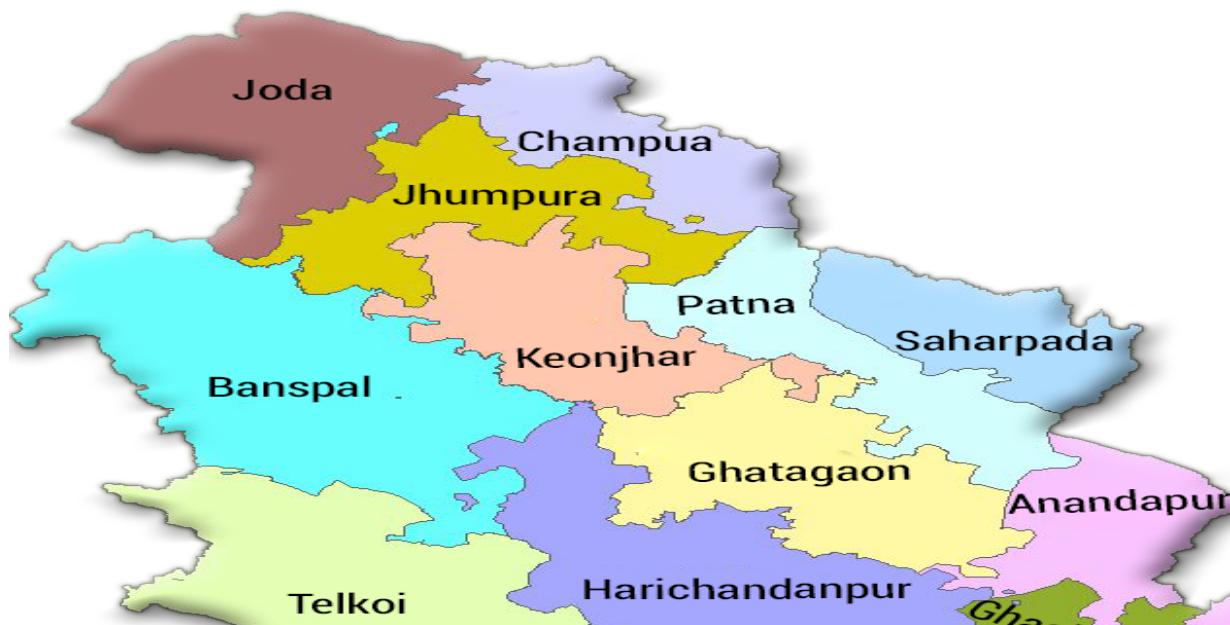

- a) The implementation of various welfare and developmental projects in mining affected areas.
- b) Minimizing/mitigating the adverse impacts, during and after mining, on the environment, health and socio-economics of the people in mining areas.
- c) Ensuring long term sustainable livelihoods for the affected people in mining areas

It undertakes the following activities for this purpose:

- a) Receive, maintain, manage, release and utilize the funds accrued
- b) Plan, identify, design and undertake suitable welfare and developmental projects, following due procedure
- c) Monitor and coordinate with various executing agencies at field level for successful implementation of projects taken up
- d) Ensure convergence with ongoing/existing schemes/projects of State and Central Government
- e) Identify and promote innovative solutions
- f) Ensure regular and swift redressal of grievances
- g) Coordinate with Planning and Convergence Department (goa) and Steel and Mines Department (goa)
- h) Any other work entrusted

## 8. SUCCESS STORY

Name of The Project	Establishment of local indigenous knowledge (LINK) corner at 63 locations under MLE
Executive Agency	DPC-SSA
Amount Sanctioned	Rs 63,00,000.00

### LOCAL & INDIGENOUS KNOWLEDGE CORNERS TO STRENGTHEN MULTI LINGUAL EDUCATION

Under the Multi Lingual Education (MLE) programme, children from tribal communities in Odisha are schooled in their mother tongue in early classes and make a smooth transition to Odiya by the end of Class V. In order to strengthen the MLE programme in the mining areas of the district and to bring elements of tribal children's cultural resources into classroom transactions, the curriculum and pedagogy, Local & Indigenous Knowledge (LINK) corners have been set up in 83 MLE schools under DMF. Implemented at a cost of less than ₹ 1 crore, the initiative has benefited more than 10,000 tribal children so far.

<b>Name of The Project</b>	<b>Dev. Of basic seed production unit building at Harichandanpur &amp; Banspal</b>
<b>Executive Agency</b>	<b>Assitant Director of Sericulture</b>
<b>Amount Sanctioned</b>	<b>Rs 476.390</b>

#### **WEAVING HOPES THROUGH FOREST BASED LIVELIHOODS**

Under DMF, a series of initiatives have been undertaken to promote sustainable livelihood development in forest fringe areas through tasar sericulture. This includes plantation of over 11 lakh tasar host trees in over 1500 acres of wasteland at a cost of about ₹ 24 crore, setting up of two Basic Seed Production Units (BSPU) at a cost of about ₹ 5 crore with a capacity to produce 2 lakh basic seeds and 20 lakh commercial seeds per annum and establishment of two Central Nurseries which will ensure availability of nearly 6 lakh quality host tree saplings for plantation every year. More than 5000 tasar rearers from indigenous communities in the district will benefit from these initiatives under DMF.

<b>Executive Agency</b>	<b>EO Keonjhar &amp; Joda Municipality &amp; EO Champua NAC</b>
<b>Amount Sanctioned</b>	<b>Rs 158.787 Lakhs</b>

#### **CONVERTING WASTE TO WEALTH**

With rapid population growth and urbanization, waste generation across towns/cities are raising at unprecedented rates. Managing waste properly is essential for building sustainable towns/cities, but it remains a challenge. Poorly managed waste serves as a breeding ground for disease vectors, reduces quality of life and even contributes to global warming. Under DMF, an integrated waste management system comprising of hydraulic waste collection-cum-tipper trucks, super suction-cum-jetting machines and decentralized compost plants is being put together for Joda, Barbil and Keonjhar towns.

<b>Name of The Project</b>	<b>Implementation/ execution of the Millet Mission programme (2nd Year)</b>
<b>Executive Agency</b>	<b>PD ATMA, Keonjhar &amp; NCDS, Bhubaneswar</b>
<b>Amount Sanctioned</b>	<b>Rs 8,01,07,000.00</b>

#### **REVIVING MILLETS IN MINING AFFECTED AREAS**

Highly nutritious millets once formed a substantial part of the diet and cropping system in the tribal areas of the district. Millets require less water and are more resilient to climate change. However, paddy gaining prominence in the last five decades since the green revolution has led to a decline in production and consumption of millets among tribal communities. Implemented at a cost of about ₹ 24 crore under DMF, the special programme for promotion of millets in tribal-cum-mining areas of Keonjhar aims to revive millets in farms and on plates by enhancing production, consumption, processing and marketing through an integrated end-to-end approach. More than 4000 farmers in mining areas have benefited under the programme.

<b>Name of The Project</b>	<b>DMF Scholarship scheme in Keonjhar Dist. for the eligible student of class III,V &amp; VIII of all schools</b>
<b>Executive Agency</b>	<b>DPC-SSA</b>
<b>Amount Sanctioned</b>	<b>Rs 5,43,00,000.00</b>

#### **SCHOLARSHIPS FOR IMPROVING LEARNING OUTCOMES**

Designed on the lines of the National Achievement Survey (NAS) conducted by NCERT, the DMF Scholarship programme encourages students of Class III, V & VIII studying in government and aided schools across the district to make a conscious effort to improve their learning levels by providing performance linked incentives.

The programme also recognizes and rewards top performing schools and School Management Committees (SMC) in each Block. Implemented at a cost of about ₹ 5.5 crore under DMF, nearly 10,000 children, 1300 teachers and 130 schools have benefited from the initiative so far.

Name of The Project	Engagement of doctors in different medical of Keonjhar Dist.
Executive Agency	CDM & PHO, Keonjhar
Amount Sanctioned	Rs 6,50,00,000.00

#### **ATTRACTING QUALIFIED DOCTORS TO RURAL AREAS**

Shortage of doctors is a major challenge in rural areas of the district. While government is trying to tackle the challenge by establishing new medical colleges across the state, in the short term, DMF is hiring qualified specialists and super specialists on contractual basis to work in rural pockets by offering best-in-industry remuneration, benchmarked with top private hospitals in Bhubaneswar-Cuttack. More than 100 doctors have been hired and posted in the DHH, SDHs, CHCs and PHCs across the district so far and nearly 18,000 patients have availed super speciality services in the DHH alone, under the initiative.

## **9. FUTURE OUTLOOK**

Board of Trustees of DMF have committed to sustain their efforts towards development initiatives in key sectors such as drinking water, healthcare, skill development/livelihood, sanitation and women/child development. These will be supported by infrastructure related project related to construction of relevant buildings, roads, etc.

We will leverage the extensive support extended by the State Government (such as appointment of nodal officers in key state departments and issuance of guidelines for submission of programs) as well as work closely with Planning and Convergence department to identify areas where complementing an existing government scheme with DMFT's resources may amplify the impact of the scheme significantly.

Further, we will engage private sector, civil society organizations and individuals to explore innovative ideas and models in the priority sectors. This will ensure that we have access to the best capabilities and ideas for various development programs.

We have audited the financial statements of District Mineral Foundation, Keonjhar, which comprise of the Balance Sheet as at March 31, 2020, the Statement of Receipt and Payments, Income and Expenditure account for the year ended on that date, a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, and financial performance of the DMF in accordance with the accepted Accounting Standards. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement; whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express opinion on the financial statements based on our audit. We have conducted the audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. The Standard requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about the financial statements whether they are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedure selected depends on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control system relevant to the DMF's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Basis for qualified opinion:**

- 1 As per the Odisha District Mineral Foundation Rules 2015, Rule 3(2) The Trust shall be perpetual Body and shall have a common seal. However as per the records and information provided to us, the DMF is registered on 11.11.2019 with the appropriate authorities has no common seal.
- 2 The DMF is to be a nonprofit making body as per the 9B (1) of the Mines and Minerals (Development and Regulation) Amendment Act, 2015. But DMF, Keonjhar is liable to pay tax on its income as it has not obtained exemption under the provisions of the Income Tax Act-1961. Subsequently DMF Keonjhar has applied for exemption under section 12AA of the Income Tax Act-1961. However final order of exemption is not obtained under the relevant provisions of the Income tax Act 1961 from payment of income tax on the income of the DMF.
- 3 Permanent Account Number (PAN) as required under Section 139(4A) is obtained. The PAN Number is AAAGD2339C. Exemption under Section 12AA, 10 (23)(C) and other applicable provisions of the Income Tax is not available and the consequent tax liability for default is not ascertained. No Annual Income Tax return is filed till Fy-2018-19.
- 4 Fixed Assets Register with details of assets code, date of acquisition, and value of assets, location of Assets and date of purchase, estimated useful life and date of put to use are not maintained. Physical verification of such assets is also not carried out during the year.
- 5 AS per Rule 10 (C) of the Odisha District Mineral Foundation Rules 2015, not less than 60% of the DMF funds may be utilized for high priority activities and up to 40% of the funds for other priority activities. However as per the funds released during the year, only 26.60% to high priority and 27.89% to other priority activities have been allocated by the DMF
- 6 A sum of Rs. 282,295,853.00 has been deducted out of interest credited to the Trust by Bank of India during the Financial Year 2019-20. The entire amount deducted has been shown/ accounted as expenditure for the year 2019-20 instead of reflecting the amount in the Return of income and claiming refund/adjustment as applicable
- 7 Insurance coverage of Assets owned by DMF, Keonjhar has not been made till during the year 2020.
- 8 Form No: 26AS has not been made available for our verification. The TDS as appearing in books of accounts has been considered as TDS deducted by banks on interest given by them to DMF, Keonjhar.

**Qualified opinion**

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the basis for qualified opinion paragraph, the aforesaid financial statements, give the information required, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of as at 31 March 2020, and its Income and Expenditure for the year ended on that date.

**Emphasis of Matter**

1. Utilisation certificates from most of the grant recipients have not been received during the year. There is no proper system of monitoring or follow up for submission of such utilization certificates against the funds released by the DMF.
2. As per the DMF terms of fund release, the funds are required to be utilized within the financial year during which they have been provided. But it is observed that some recipients have not utilized any fund during the year and the total fund remained with them till the end of the year. Further, as per the fund release order terms, the recipients are required to submit monthly progress reports from 2<sup>nd</sup> month onwards on monthly basis. But except few, majority of the recipients have not provided their progress reports to District Mineral Foundation, during the FY 2019-20. Attention is also drawn to schedule-III showing outstanding UCs for a total amount of Rs.3,835,714,834.00. Regular review of the funds released is not made to ascertain the utilization of the funds for the intended beneficiaries/projects as per the provisions of Odisha District Mineral Foundation Rules 2015 and Mines And Minerals (Development And Regulation) Amendment Act,2015
3. The Board approved 495 effected villages but later it was noticed that the list contains four villages repeatedly appearing in the approved list. These four repetition cases were deleted and finally 491 village list identifying the affected areas and affected people were approved in accordance with the provisions of Rule 11 (2) and (3) of the Odisha District Mineral Foundation Rules,2015
4. Internal control system for verification of the computation of the contributions under the provisions of the Mines and Minerals (Development & Regulation) Act received from the lessees of major/minor mineral leases by DMF is inadequate. Further, no reconciliation of the contributions for mine wise, quantity, mineral wise is made during the financial year. We are of the opinion that the internal financial controls in this regard are deficient.
5. Contribution from mining of Coal, Lignite, Iron Ore & Manganese is collected by DMF, Keonjhar. But other major minerals such as Chromites, Lime Stone, Dolomite, Nickel, Granite etc. are leased out and as per information provided to us, no steps are taken to identify and collect the contributions from the concerned lessees. Further, no contribution is collected on Minor minerals though such mines such as sand, stone powder, Moram are operated in the District as per data available at DMF Keonjhar.
6. The terms of release of funds to the implementing agencies stipulate that the recipient organisation will keep the amount in bank in interest earning account and the interest earned by the organisation will be returned to DMF. It is observed that no organisation adhered to the guideline. Further none of the organizations have provided Receipts and Payments account, though stipulated in terms of release. Utilisation certificate provided by the organization does not reflect the area/nature of expenses for end use utilization audit

Overall financial controls and maintenance of books of account are deficient and, in our opinion are not commensurate with the volume and nature of the financial transactions of the DMF during the year.

**Report on other Legal and Regulatory Requirements**

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion proper books of account as required by law have been kept by the trust far as appears from our examination of those books.
- c) The balance sheet, Income Expenditure Account and Receipt and Payment Account, dealt with by this Report are in agreement with the books of account.
- d) The figures are re grouped and re arranged wherever necessary/ applicable.
