Collector cum Chairman DMF Keonjhar starting off the proceeding, welcomed all the trust board members and participating departments. He also informed that government has notified new trust board members post Panchayat and Urban Elections 2022. Collector and CEO DMF Keonjhar felicitated all the Trust Board Members. Following this, Collector requested CEO DMF Keonjhar to initiate the proceedings as per agenda.

CEO DMF, while initiating the discussion requested the trust board members, if they would like to address before the discussion can be initiated. Hon'ble MLA Sadar requested to speak on few issues before the meeting is initiated.

Hon'ble MLA Sadar mentioned that DMF Keonjhar has come a long way and a lot of projects have been accorded sanction and major projects like Drinking Water and Medical College are a matter of pride. He expressed his wish and desire to make Keonjhar number one in the country.

However, he added that other major issues need attention:

- Copy of the DMF Trust Board proceeding shall be provided at the earliest
- Projects shall only be taken up, post approval in DMF Trust Board
- DMF website shall be updated with all the project details. More photos of DMF projects shall be made available on the website
- All the projects falling in scheduled area shall be approved in Gram Sabha before execution

Further, he requested for copy of Gram Sabha approval of DMF sanctioned projects in the last three years. CEO DMF in response to the queries, responded that as per the administrative sanction/approval letters issued by DMF, all the executing line departments have been entrusted the responsibility. He requested all the line departments to ensure that all the projects especially from Scheduled areas shall have Gram Sabha approvals, and shall be compiled and sent to DMF for further submission.

Moving ahead, CEO DMF started off with the presentation and informed all the members that documents relating to the agenda of today's meeting were shared well in advance with the members namely:

Moving on to the next agenda, CEO DMF gave a brief about the major DMF funded projects

- Government Medical College Keonjhar:** A video documentary showing the update of the infrastructure created was played. Along with this, it was informed to the meeting that it is a matter of great pride that Govt of India has given a go ahead to the medical college and classes are scheduled to begin by Dec 22. It was also informed that in addition to the existing infrastructure, it has been planned to construct a cancer hospital, for which tender has been already called. Further, it was informed that Academic building has been opened for use and soon teaching hospital will start functioning. Meanwhile the teaching hospital has begun its operations from DHH Keonjhar.
- Joda Flyover:** A video documentary showing the update of the infrastructure created was played. It was informed that project is on track and scheduled to be used by end of Dec 23.
- Barbil Ring Road:** Alignment plan was displayed to the meeting. It was informed that project is estimated at around ₹1200 Cr which includes cost for Civil Construction, Land Acquisition etc. Groundwork has been already initiated by OBCC, Govt of Odisha PSU and work is expected to begin on the ground around March 23.

Moving on to the next agenda, CEO DMF gave a brief about ODMF rules in context of Mining Affected Areas and People. He explained that as per Rule 11, 'Identification of affected areas and affected people', 'the board shall identify, prepare and maintain a list of affected areas and

affected people in accordance with the provisions of sub rules (2) and (3) respectively". In this context, as per earlier resolution of DMF Trust Board, views of DD Mines Joda and DD Mines Keonjhar were obtained on the ORSAC submitted verification report. After deliberations, the Trust Board decided to approve 104 additional villages (after removing 2 duplicate) (as suggested by ORSAC) and retain the other periphery villages as Direct Mining Affected villages, as they were included in the first place based on the topographical assessment carried out by DD Mines Joda and Keonjhar. With this approval, CEO DMF summarized that the total direct mining affected villages will be now (491+104) 595 villages across 8 Blocks, namely Anandapur, Banspal, Champua, Harichandanpur, Hatadini, Jhumpura, Joda and Sadar Keonjhar (Annexure II)

Moving on, CEO DMF informed the meeting that DMF has sanctioned funds for Direct and Indirect Mining affected areas since inception keeping the ODMF rules in context and the desired ratio of 60:40. Collector added that, all the projects have essentially benefitted the people living in the direct/indirect mining affected areas, and they may be termed as affected people. Further Collector added that for better understanding of the ground reality, DMF has reached out to a couple of Govt of India agencies namely NABCONS and EDII, who has an expertise in undertaking such surveys, if required for better identification or assessment of the ground reality

Moving on, CEO DMF informed that recently Government of Odisha has issued following orders in the context of DMF

- District as a unit to be considered for Education, Health, Drinking Water and Anganwadi Centre
- Additional Human Resource to be provided for R&B, RD, MI, PR&DW, H&UD for undertaking works under DMF

Further CEO DMF presented that few of the DMF initiatives like Millet Mission and Creche initiative has received national recognition from Hon Minister, Ministry of Mines and NITI Aayog respectively. In this context, Collector Keonjhar informed that the Creche initiative of Keonjhar was presented by the Secretary WCD in 2021 to NITI Aayog wherein the then member of NITI Aayog Dr. VK Paul had remarked that the "Creche Model has been cracked by Odisha through Keonjhar Creche Model". Continuing, CEO DMF informed that the initiatives taken up under the district namely 'Agriculture Production Cluster', 'Barbil Wushu Stadium' and 'WADI' has been

recognised by the SKOCH award and received Gold and Silver Awards respectively. Apart from this, a few notable initiatives which had received special mentions and received semi-finalist award are Installation of Solar Street Light, Unconnected Habitations and Handball Stadium Keonjhar
